world? A woman's. "Working for dear life" is defined to be "making clothes for a new baby." Why is a young lady forsaken by her lover like a deadly weapon? Because she

is a cut-lass. Suicide is so common in Chicago that a public st.mach pumpers, open day and night, is talked of.

The painter wasn't far out of the way when be made the druggists sign read, "Physicians prescriptions carefully con-

The following rules are posted in a New Jersey school-house. "No kissing the girls in school hours; no licking the muster during holidays."

A man named Robers, at Pa'erson, married Miss Swackhammer, and he has not ought to kill any man. There are two directly opposite reasons

why some men have poor credit-one because they are known, and the other be- is used, and a small proportion of spirit. It is cause they are not known. "If this is Indian summer," says the

Newport News, "then their summer is as fire white man' . Nothing in the weather line can Well surpass it." Fame is like a shaved pig with a greas-

through the hands of some thousands, that some fellow by good luck holds on to graveyard in the neighborhood where may be seen the impressive picture of a fermentation; upon inspection it will be found no

man sleeping peacefully by the side of The Young Ladies' Benevolent Association of Detroit, Michigan, have organiz- where fover or inflammation exist. In this, you ed for the winter on such a basis that no

worthy applicant for help will be turned have the knowledge of the ingredients and the away empty handed. "If a man bequeathed you a hundred mode of peparation dollars, would you pray for him?" asked a Sunday School teacher of one of the pupils. "No, but I'd pray for another just

like him," was the quick reply. A young professor at one of the colleges probation, married a lady twenty years his senior.— This was said by a witty friend to be a proof of his ambition, as he appeared desirous to study the ancients.'

The other day two young girls of Carlinville, Ill., bound their drunken father hand and foot and so kept him for 2 days. They finally released him on his promis ing to join the Sons of Temperance.

The University of Michigan has a large number of female applicants for the medical schools. In order to spare the blushes of the young ladies certain topics are to be delivered in duplicate by the professors.

exclaimed a vehement United States Senator to President Lincoln, in President, "any trifle among friends has him. I have been favorably impressed with his

It is five years since nitro-glynerine came into use. The one thousand seven hundred persons whom it has killed or maimed for life, and the intilious of property it has destroyed, may be styled rec-commendations of its efficiency.

As a river boat was loading at La Crosse a large grev mule refused to go on board. The mate sung out to a deck-hand :-"Twist his tail and he'il come." Like

The Free Methodists at their recent conference in New York adopted resolutions against Christian women adorning be found, Indisposition to Exertion, Loss of Mem thamselves with "useless fripperies and vanities, such as friumings, laces, braids, embroideries, strips of velvet, and other dings of Evil; in fact, Universal Lassitude, Prosnonsensical gewgaws."

A young wife at Glenn's Falls, only 15 of society. years old, and only married three months, endeavered to commit suicide because her young husband couldn't support her. If people would wait until they arrive at years of dieretion, say sixteen years old, en and invigorate the system, which HELM-before marrying, these troubles would BOLD'S EXTRACT BUCHU invariably does.

"De doctor says he hab got two buckles on his lungs, and tu more on his stumie; den he hobs a digestion ob de brain a palpatation ob de alemantary canawi. an' de hydrofogy in de kiduees, an' sum de gizzard! It am a dredful case."

A Colorado editor, who has been makreaders as the most remarkable piece of inselfigence gleaned in his travels that the decline or change of life. there are actually newspaper men on the Atlantic coast who have not been called on to kill any one for several years.

The German Post relates that after the slaughter at Thionville, a strange and the eve ing call being sounded by the lat Regiment of Dragons of the Guard, 693 riderless horses answered to the summons, jaded, and in many cases mained. The noble animals still retained their discip-

Two great markets. France and Germany, were at the same time suddenly all diseases of these organs, whether existing in closed. The thrifty Germans began sav-ing their money and the surplus of English goods which has usually been sold and no matter of how long starding. It is pleas ket elsewhere. American buyers have received the benefit of the consequent

The crop of cobnece grown in Mentucky in 1870, according to the best restimates. will amount to about 93,000 hbds, the crop in Illinois, to about 15,000 hbds;—
the crop of Indiana to about 25,000 hbds;
the crop of Missoiri to about 30,000 may hids; the crop of Tennesse to about 29, 000 hlus thus estimating the entire powers. Western crop at 180,000. It is believed Virginia and North Carolina's crop will amount to about 50,000 hids.

A gentleman who was travelling north

of Alb a was obliged to stop at a farm During the progress of the evening meal, to any address. Describe symptoms in all com he obserted an urchin tagging at a loaf aunications, of bread. At length the urchin cried out: "Granny that's har on the bread."

The old lady remarked that it was only a cal Warehouse, 594 Broadway, N. Y. piece of of corn silk. "Corn silk!" ex-claimed the urchin; "how come corn silk to have a pit on it! That's what I want to have a pit on it! That's what I want
