FRIDAY..............................APRIL 21, 1871.

DON PIATT ON VINNIE REAM'S LINCOLN.

"The face resembles a livid mask taken from the dead features by means of plaster, and is totally devoid of expression. This statue tells no story whatever. The head is thrown forward in a thoughtful, musing attitude, while the right hand is thrust forward with a roll of paper indicative of action. Between the head and the hand there is no harmony whatever. The awkward, grotesque appearance of Mr. Lincoln's figure in the beastly, every day wear of ordinary life is sought to be relieved by the folds of a cloak that is stuck to the back in the most surprising manner, indicating that the ungainly, awkward subject had been studying a pose, and fixed his drapery precisely to suit the artist. Between the cloak and the figure there is as little harmony as between the head and the hand, while the legs come in on their base and have, like every other part, a story of their own. Nine out of ten of the ordinary stone cutters of the country would produce as good a work as this of the pretty little girl who fell an heir to Carpenter's Congressional inspiration. How long, O Lord, how long, is the great National Capital to be cursed with these crude abominations of ignorance? The true artist, shy and sensitive, works unknown in his or her poor home, through heart-breaking obstacles up to fame, while these rough law-makers listen to pleading beggars for the public money, that our eyes may be shocked and the nation disgraced. Where is the image-breaker and the distroyer of spoiled canvass, and where is our Providence 'who keeps us a nation?'"

MINISTERS AND SKATING RINKS.

A few days ago an up-country minister denounced the skating rink as an invention of the devil. As we have always heard that the devil was a slipping, sliding kind of a fellow, we shall not take it upon ourselves to dispute the reverend gentleman's premises. It is, however, quite apparent that whoever did invent skating rinks had a very good idea of human nature—better, perhaps, than a good many ministers, and knew how to get up a thing that would draw, which is more than nineteen out of twenty preachers know or do. The same remarkable insight into the feelings and peculiarities of humanity was possessed by the inventors of dancing, and games such as foot ball, base ball, cricket, and hundreds of other recreations which, if practiced with moderation, are both healthful and amusing, and supposed by the majority of people to be innocent and the reverse of immoral. There seems to be a conflict of opinion between the creator of humanity and the men who occupy the position of savers of humanity. The desire for amusement and what we call recreation is a strong element in the human composition. It crops out like an ingrained principle—a part and parcel of the machine—yet some ministers are always fighting this principle, and the least indulgence in the way of amusement—the slightest yielding to the promptings of inclination—is considered as sinful. Now it appears to us that if God had left out this fun-loving quality when collecting together the many ingredients of which he manufactured man, he would have rendered the task of ministers a great deal lighter, and at the same time defeated the purpose and made quite useless a great many of the devil's inventions, such as dancing, croquet, skating rinks, and many other pastimes and amusements to which the people, as God made them, take with that naturalness and avidity which marks a young duck on his way to the nearest pool of water.—*San Joaquin Republican.*

MARRYING FOR MONEY.—In New Orleans, a few days since a well dressed and handsome youth, of some eighteen years of age appeared before one of the city magistrates and asked if he could engage his services to perform a marital ceremony. The reply was in the affirmative, and the young man left, but shortly afterward returned accompanied by a sombre looking female, middle-aged and dressed in black.

"Is this lady your mother?" inquired the magistrate.

"Oh, no, sir; this is the lady I desire to marry!" replied the youth, as the lady drew aside her veil, disclosing a countenance wrinkled and sere, but on which for the moment gleamed a sort of icy smile.

"Indeed."

"Oh, yes, sir."

"But are you of age?"

"Not yet; but this lady is my guardian."

"And she gives her consent.

"Yes, sir."

The magistrate was in a quandary. He didn't know exactly what to do. He hated to sacrifice the youth, and join the bright-faced May to the gloomy, icy December. "Isn't this rather a strange union?" he asked.

"Not at all replied the expectant bride.

"I have a large amount of property which I desire to leave this young man. And as I have relatives who might dispute the will were I to give it him as a legacy, I prefer to marry him."

"And you are content to marry this woman for her money?" asked the justice.

"Well, I shouldn't marry her for any thing else!" frankly replied the boy lover. "She ain't pretty."

And without more ado the ceremony was concluded.

HOW A REPUTATION TELLS.—The Hon. Wm. Mack, Speaker of the Indiana House of Representatives, tells the following:

A distinguished gentleman of Terre Haute informed me that one evening last summer, when he was at the house of a prominent Republican of the city, he witnessed a number of little children, from seven to twelve years of age, amusing themselves by playing charades. You are familiar with the mode of playing. The company divides, a few go out of the room, select a word, return, and act it out by syllables, so those in the room may guess it. The word emigrant was selected. Well, after they had made out "em," and "i," a syllable was left which chanced to be the name of the President. A little girl entered, and after bowing to a little boy seated in the room, and handing him a package said: "Here is a present worth $10,000; don't open it." Then came a little boy, who says: "We have just bought for you a very nice house." Then came a third, not more than eight years old, leading a large Newfoundland dog, almost as tall as himself, and said: "I have brought you a nice pup, and I want to be postmaster." At this a dozen voices shouted, "Grant," "Grant," "Emigrant."

A GREAT MEDICAL DISCOVERY

Dr. WALKER'S CALIFORNIA

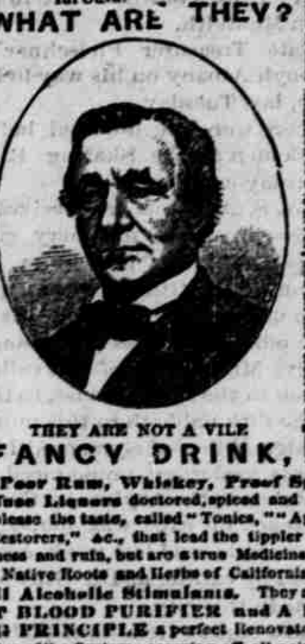
VINEGAR BITTERS

Hundreds of Thousands

Bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal. ☞ Send for a circular.



They are a Gentle Purgative as well as a Tonic, possessing also, the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and all the Visceral Organs.

THEY ARE NOT A VILE

FANCY DRINK,

Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and A LIFE GIVING PRINCIPLE a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to direction and remain long unwell.

$100 will be given for an incurable case, provided the bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effect.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

PIN, TAPE and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle, printed in four languages—English, German, French and Spanish.

FRENCH MEDICAL OFFICE.

DR. JULIEN PERRAULT,

Doctor of Medicine of the Faculty of Paris, Graduate of the University Queen's College, and Physician of the St. John Baptiste Society of San Francisco.

DR. PERRAULT has the pleasure to inform patients and others seeking confidential medical advice that he can be consulted daily at his office, Armory Hall Building, North East corner of Montgomery and Sacramento streets, San Francisco. Rooms Nos. 9, 10, 11, first floor, up stairs, entrance on either Montgomery or Sacramento streets.

DR. PERRAULT'S studies have been almost exclusively devoted to the cure of the various forms of Nervous and Physical Debility, the result of injurious habits acquired in youth, which usually terminate in impotence and sterility, and permanently induce all the concomitants of old age. Where a secret infirmity exists involving the happiness of a life and that of others, reason and morality dictate the necessity of its removal, for it is a fact that premature decline of the vigor of manhood, matrimonial unhappiness, compulsory single life, etc., have their sources in causes, the germ of which is planted in early life, and the bitter fruits tasted long afterward; patients, laboring under this complaint, will complain of one or more of the following symptoms: Nocturnal Emissions, Pains in the Back and Head, Weakness of Memory and Sight, Discharge from the Urethra on going to stool or making water, Intellectual Faculties are Weakened, Loss of Memory ensues, Ideas are clouded, and there is a disinclination to attend to business, or even to reading, writing, or the society of friends, etc. The patient will probably complain of Dizziness, Vertigo, and that Sight and Hearing are weakened and sleep disturbed by dreams; melancholy, sighing, palpitation, faintings, coughs and slow fevers; while some have external rheumatic pain, and numbness of the body. Some of the most common symptoms are pimples in the face, and aching in different parts of the body. Patients suffering from this disease, should apply immediately to DR. PERRAULT, either in person or by letter, as he will guarantee a cure of Seminal Emissions and Impotence in six or eight weeks.

Patients suffering from venerial disease in any stage, Gonorrhea, Gleet, Strictures, Bubo, Ulcers, Cutaneous Eruptions, etc., will be treated successfully. All Syphilitic and Mercurial Taints entirely removed from the system.

DR. PERRAULT'S diplomas are in his office, where patients can see for themselves that they are under the care of a regularly educated practitioner. The best references given if required.

THE

UNK WEED

REMEDY

—OR—

OREGON

RHEUMATIC

CURE!

HISTORY.

This Remedy is composed of the active principle of the Unk Weed, Eng.—Thaspium Cordatum Origanis, Lat.—indigenous to Oregon—Grows most abundantly and perfectly in Washington County.

PROPERTIES, &c.

It contains an *active volatile principle* extracted by Ether, and a bitter *Tonic* principle.

MEDICAL PROPERTIES AND USES.

It is the most SURE AND SPEEDY CURE for *Rheumatism, Rheumatic Gout* and *Rheumatic Pains* of all kinds that has ever been introduced into the Materia Medica.

The Unk Weed Remedy as prepared by us, in consequence of the existing bitter principle, possesses the necessary virtue of being a

POWERFUL TONIC,

Promoting the *Appetite* and invigorating the whole Digestive Apparatus, thus building up and strengthening the system, while at the same time the volatile principle, being absorbed in the blood, acts specifically on the Rheumatic Poison, removing it from the circulation and system.

There are a few remedies known to the Medical profession, which will remove the Rheumatic poison from the blood, but whose action is so powerful in depressing the system of the already *enfeebled* Rheumatic patient, that their use has to be abandoned before specific effects are obtainable—hence the want of success in treating this prevalent, and in consequence heretofore (incurable) disease. Unlike these Medicines, already known, the "Unk Weed Remedy" though producing as *powerful* and as *active* effects on the blood and system in removing the Rheumatic poison, also possesses a strong *Tonic* and recuperating element, which admits of its *continued* use even in the most *delicate* and *debilitated*. Thus we have the combination for the *first* time of these *two necessary elements* in the *one* remedy, which accounts for its superior and never failing effects in

RHEUMATISM,

RHEUMATIC GOUT,

And RHEUMATIC PAINS of all Kinds.

Put up in 10 Oz. Bottles at $1,50 per Bottle.
