Plantation Bitters.

This wonderful vegetable restorative is the sheet-anchor of the feeble and debilitated. As a tonic and cordial for the aged and languid, it has no equal among stomachics. As a remedy for the nervous weakness to which women are especially subject, it is superseding every other stimulant. In all climates, tropical, temperate, or frigid, it acts as a specific in every species of disorder which undermines the bodily strength and breaks down the animal spirits. For sale by all druggists.

RAMSDELL NORWAY OATS THE MOST PROLIFIC IN THE WORLD One Bushel is Plenty of Seed for an Acre!

Yield 80 to 100 per cent, more than Common Oats with Half the Amount of Seed per Acre.

Oregon yield the last two years (both short crap years): In 1869, early sown, from 80 to more than 100 bushels per acre; late sown, 60 to 70 bushels. In 1870, early sown, each bushel sown produced from 66 to 70 bushels; late sown (13th of May), 48 to 50 bushels.

California yield: In 1870, 92 to 173 bushels from 32 bas seed per acre.

Norway seed sold in San Francisco the past winter at \$7.50 per bushel of 52 lbs. We warrant those oats clean and genuine, at \$4.60 per sack of 72 lbs., or we will furnish them to be tested with common oats, to be put in well, in good season, in clean land, and at the same time.

Three-fourths of the excess which the Norway yields over the common oats must be delivered to Oregon yield the last two years (both short erap
