The Lady of Laurie.

Not many dry the eye who read the tragic story of Laurie and his lady as much as the world was shocked by the death of the latter a few days ago. Poor Laurie was buried yesterday in a private ceremony at the residence of his parents.

Laurie's lady was the object of his affections for many years, and it was a cruel shock to everyone when she was found dead in her bed. The cause of death is still unknown, but it is believed that she had been suffering from a long illness.

Laurie's parents were extremely grief-stricken by the loss of their daughter. They had always been very fond of her and had taken great care of her. Now that she is gone, they will have to face the world without her.

On the day of her death, Laurie went to the funeral and gave a speech. He said that he was very grateful to everyone who had helped make her life happy, and that he would always remember her with love.

Laurie's lady had a beautiful voice, and everyone who knew her said that she had a wonderful sense of humor. She was also very kind and would always help anyone in need.

Laurie's parents plan to hold a memorial service for their daughter later this week. They hope to have many friends and family members attend.

The Lady of Laurie will be remembered for her beauty and kindness by everyone who knew her. Her spirit will live on in the hearts of all who loved her.
