HOLLOWAY'S PILLS AND OINTMENT.

Every Man his own Physician. CAUTION.

THE IMMENSE DEMAND FOR HOLLOWAY'S PILLS AND OINTMENT HAS TEMPTED UNREPUTABLE DEALERS TO IMITATE THIS VALUABLE MEDICINE.

It is a brilliant Fond du Lac boy, who, seeing a dog with a muzzel on for the first time, exclaimed: "Mamma, I bet five cents the dogs are going to wear hoops; there goes a dog with one on his nose, now."

The latest story is that William Morgan, who has always been supposed to have been the victim of the great Free Masonry excitement, emigrated to Texas, and married an Indian girl, and that Cachise is his son.

Husband (old style question). "What, dipping into the third volume to see if every one is married?" Wife (new style of answer). "Oh, they were married in the first volume. I only want to see if it was really her husband who poisoned her."

Fond mother. "John, do look at that child; it has your watch in its mouth, and will swallow it!" John (who is a bachelor brother-in-law, and very fond of babies): "Oh! don't be the least alarmed, I've got hold of the chain. It can't go far." (Tab-leau.)

The Kenebec Journal says a little 7-year-old, not a hundred miles from Hollowell, was asked by his mother to take a piece of cake from her plate that she had not eaten whereupon young hopeful replied that "he did not propose to become a Lazarus for anybody."

A gentleman in search of a man to do some work, met on his way a highly-respectable lady, not as young as the one was, and asked her, "Can you tell me where I can find a man?" "No, I cannot," she replied, "for I have been looking these twenty years for one myself."

ARKANSAS GRAMMAR.—An Arkansas applicant for a teacher's certificate thus conjugates the verb "to do": "Imperfect— I have done it; thou dost it; he done it.

Perfect— I gone done it, yous gone done it, he gone done it, she gone done it, it gone done it, yous gone done it, theys gone done it.

Future— I gwine done it, you gwine done it, he gwine done it, she gwine done it, it gwine done it, yous gwine done it, theys gwine done it.

Future perfect— I done gwine done it, you done gwine done it, he done gwine done it, she done gwine done it, it done gwine done it, yous done gwine done it, theys done gwine done it.

Plural— Weuns done it, yous done it, theys done it.

ADVERTISEMENTS. HAIR VEGETABLE SICILIAN HAIR RENEWER.

Every year increases the popularity of this valuable Hair Preparation; which is due to merit alone.

It is the only reliable and perfected preparation for restoring GRAY or FALLING HAIR to its youthful color, making it soft, lustrous, and silken.

It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands.

By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age.

It is the most economical HAIR DRESSING ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance.

A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes."

Buckingham's Dye FOR THE WHISKERS. As our Renewer in many cases requires too long a time, and too much care, to restore gray or faded Whiskers, we have prepared this dye, in one preparation; which will quickly and effectually accomplish this result.

It is easily applied, and produces a color which will neither rub nor wash off. Sold by all Druggists. Price Fifty Cents.

Manufactured by R. P. HALL & CO., NASHUA, N.H. SMITH & DAVIS, Portland, Wholesale Agents.

Ayer's Cathartic Pills. For the relief and cure of all derangements in the stomach, liver, and bowels.

It is a mild aperient, and an excellent purgative. Being purely vegetable, they contain no mercury or mineral poisons.

Long experience has proved them to be the safest, surest, and best of all the Pills with which the market abounds.

For the relief of the bowels, the blood is purified, the eruptions of the system, and the obstructions removed, and the whole machinery of life restored to its healthy activity.
