THE PRESIDENT'S MESSAGE.

To the Senate and House of Representatives: In transmitting to you my fourth Annual Message, it is with thankfulness to the Giver of all good. As a nation, we have been blessed for the last year with peace at PHYSICIAN AND SURGEON, home and abroad, and a general prosperity has been vouchsafed to all but a few people. With the exception of office: In R. C. Hill & Son's Drug the recent devastating fire, which has store. Residence: On Second street, south of the Cartwright Warehouse. as it were, millions of accumulated wealth in the city of Boston, there have been no overshadowing calamities within the year to record. It is gratifying to note how, like their fellow citizens of Chicago under similar circumstances a year earlier, the citizens of Boston are rallying under their misfortunes, and the prospect is that their energy and perseverance will overcome all obstatcles, and show the same prosperity soon, that they would had no disaster befallen them. Otherwise, we have been free from pestilence, war, and those calamities which often overtake nations, and as far as human judgpresent peace. THE ALABAMA CLAIMS.

> When Congress adjourned in June last, a question had been raised by Great Britain and was then pending, which for a time seriously imperiled twenty-six years, ever since the ratifithe settlement by friendly a bitration cation of the treaty. of the differences existing between this Government and that of her Britannic Majesty. The Treaty of Washtors, however, disposed of the question which had jeopardized the whole of the Treaty and threatened to involve the two nations in unhappy reentirely satisfactorily to this Governnaintained.
