Mark Twain respects his baby for its father's sake.

An article you can always exchange—Gossip.

Florida brags of lemons two feet in circumference.

Massachusetts refuses to pension her retired Judges.

Rather than die without a groan, let me groan without a die.

There are one hundred men in the South Carolina Legislature.

The New York railways threaten to suppress the prize package fiend.

The best elocutionists pronounce the "g" in such words as "pudding."

Cast-iron shubbery for county seats is an economical novelty. Pretty too.

"Home—Sweet, sweet home," as the bee said when he entered his hive.

Postal cards will be a delicate and delightful way to dun delinquent debtors.

The superiority of American locomotives is conceded by the London Engineer.

Dead wild-cats stuffed with straw sell readily at forty cents each in Minnesota.

The fate that overtakes prominent men in Kansas is having counties named after them.

The grand list of New Haven this year foots up $55,000,000, against $52, 411, 044 last year.

Florida lemon squeezers have to be made so as to accommodate eight-inch in diameter specimens.

You can use a postage stamp twice. The first time it will cost you three cents, the second time fifty dollars.

Persecution often does in this life what the last day will do completely—seperate the wheat from the tares.

Mrs. Croly says that she has got through trying to pound it into the brains of men that women ought to vote.

A merchant at Terre Haute directed a letter to a Cincinnati man thus: "Abraham Brown, justis of the piece."

Over one hundred barrels of cotton-seed oil are manufactured daily in Memphis, which is worth more than $1,500.

Clinton, Wisconsin, has a lady artist who paints pictures with her eyes blindfolded and one hand tied behind her.

The Baptists havn 16 churches in the District of Columbia, valued at $273,000, furnishing sittings for 8,-755 people.

Considerable activity prevails at Long Branch, and preparations for the ensuing season have already commenced.

Two hundred wild turkeys were captured in a single day's hunt, recently, by some of the soldiers at Fort Larned.

The United States is the only nation with a coin known as the eagle. No coin of the same value is in existence elswhere.

The New York Court House has settled six inches since constructed, but some of the old officers haven't settled for three years.

"Can you name the four seasons?" asked a school visitor of a class that was on exhibition. "Yes, sir," said a bright-looking little boy. "What are they, my little man?" "Salt, pepper, vinegar and mustard," was the reply.

A little girl was one day reading the history of England with her governess, and coming to the statement that Henry I never laughed after the death of his son, she looked up and said: "What did he do when he was tickled."

One of a chubby class of four-year old Sunday-school scholars, when talked to by his teacher about the sins and frailties of the body, was asked, "Well, my son, what have you besides this sinful body?" Quick as thought the little fellow responded, "A tean shirt and a nice new pair of breeches."

A little girl who was visiting the family of a neighbor heard them speak of her father as a widower; and, on her return home, said: "Pa, are you a widower?" "Yes, my child. Don't you know your mother is dead?" "Why, yes, I know that mother is dead, but then you always told me you were a New Yorker!"

WHY DID THE PRESIDENT SANCTION THE ROBBERY!

The Hartford *Times* says President Grant signed, without delay, the appropriation bill, in which was the provision for the increase of salaries, and the steal of $1,600,000 of "back pay." By this bill President Grant takes one hundred thousand dollars extra from the United States treasury during his present term. He knew it was a wicked plundering bill. Why didn't he veto it? The excuse is that the plundering section was added to a general appropriation bill. That does not excuse the President at all. When he finds robbery attached to any bill, it his duty to veto it, and give his reasons. Then the responsibilities will at once rest upon Congress. If there was not time for the passage of the appropriation bill after the veto, the President could have commenced an extra session and sternly rebuked the dodge of putting stealing sections into the appropriation bills at the last hour of a session. It would have been a manly and honest course for the President to pursue—especially as he had one of those very large and corrupt sums hanging to his shirts.

It will hardly avail his followers and supporters to pass cheap resolutions against a stupendous robbery which was perpetrated by a Republican Congress and is sanctioned by their leader!

Has been before the American public OVER THIRTY years. It has never yet failed to give perfect satisfaction, and has justly been styled the panacea for all external Wounds, Cuts, Burns, Swellings, Sprains, Bruises, &c., &c., for Man and Beast. VINEGAR BITTERS

VEGETABLE. FREE FROM. ALCOHOL.

PURELY. CALIFORNIA.

D. WALKER'S

VINEGAR BITTERS

Vinegar Bitters are not a vile Fancy Drink, made of Poor Rum, Whisky, Proof Spirits and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the native roots and herbs of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier and a Life-giving Principle, a Perfect Renovator and Invigorator of the System, carrying off all poisonous matter, and restoring the blood to a healthy condition, enriching it, refreshing and invigorating both mind and body. They are easy of administration, prompt in their action, certain in their results, safe and reliable in all forms of disease.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. In these complaints it has no equal, and one bottle will prove a better guarantee of its merits than a lengthy advertisement.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that a marked improvement is soon perceptible.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

For Skin Diseases, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Pin, Tape and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist: There is scarcely an individual on the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monsters of disease. No system of medicine, no vermifuges, no anthelmintics, will free the system from worms like these Bitters.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Typesetters, Gold-beaters and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS twice a week.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc., etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

Dr. Walker's California Vinegar Bitters act on all these cases in a similar manner. By purifying the Blood they remove the cause, and by resolving away the effects of the inflammation (the tubercular deposits) the affected parts receive health, and a permanent cure is effected.

The Aperient and mild Laxative properties of DR. WALKER'S VINEGAR BITTERS are the best safe-guard in cases of eruptions and malignant fevers. Their balsamic, healing, and soothing properties protect the humors of the fauces. Their Sedative properties allay pain in the nervous system, stomach and bowels, either from inflammation, wind, colic, cramps, etc.

Directions.—Take of the Bitters on going to bed at night from a half to one and one-half wine-glassful. Eat good nourishing food, such as beef-steak, mutton chop, venison, roast beef, and vegetables, and take out-door exercise. They are composed of purely vegetable ingredients, and contain no spirits.
