Yours, as ever,

JOHN T. CROOKS. REV. DR. GEARY AND THE ALBANY

From the praceedings of the General Presbyterian Ministerial Association, relative to our excellent educational institution, Albany Collegiate Insti-

Rev. Dr. Geary addressed the Association the educational interests of the Presbyte church in Oregon. He said that before the nexation of Alaska, the Presbytery of Ore embraced the extreme Northwestern portice country west of the Rocks Mountains to the Pacific, between 48 deg. and 49 deg. of latitud embracing a district of 280,000 square miles within the limits of the Presbytery there we only 24 ministers laboring in behalf of the Church. There was great need of education institutions to foster young men for the world. Cleary made an earnest appeal in behalf this object.

Dr. Geary made an earnest appeal in behalf his object. The following resolution, offered by Rev. L. Agnew, was unanimously sdopted? The Prosbyterian Ministerial Association having heard with great interest and pleasa the Rev. E. R. Geary, D. D., who has be laboring faithfully in Oregon, for the personal statements concerning the great terests in the far west, and particularly havineard his statements concerning the necessities of Albany Collegiate Institute, under teare of the Presbytery of Oregon.

Resolved, That we earnestly commend if Geary to the confidence of our people and to institution he represents to the benevole Christian public for aid to the amount necess to endow four professorships, being deep impressed that the interests of our Church the Pacific slope demand the immediate a permanent establishment of a good Presby rian College, to educate young men for the ministry on the ground where their lives to be spent.
