ALBANY, OREGON, FRIDAY, MAY 7, 1875.

and Isu had scowled silence at the owner of the wagging tongue in vain. But if the young man who entered had heard anything of what was being said he did not indicate it by any change of expression. He greeted the twain with a friendly word to each, and passed through to the dining-room. When his footsteps died away. Isu turned her great brown eyes to Ned, and said sorrowfully:

"Ned, why will you talk so, and before people, most of all? Don'tyou know that I don't want you to talk that way, and you mustn't!"

"Mustn't! Lord, what words you use! But you'll get over it some day wan't always be as bashful."

"Icase smoke pouring from the window of Ton's room, and wildly inquired of for the eccupant. But no one an swered his question, for mone understood his meaning.

Calling her name wildly, he rushed up the stairway. What transpired afterward only the eye of the Infinite saw, a daring fireman attempted to follow him, a few moments afterward, but the hall at the head of the stairs was a sea of flame, through which speak unadvisedly, and that some peak unadvisedly, and that some stand that the head of the stairs was a sea of flame, through which from out the ruins was wife. Naturally enough, the girl's under such that way, and you mustn't!"

"Mustn't! Lord, what words you use! But you'll get over it some day wan't always be as bashful."

at! But you'll get over it some day won't always be as bashful." A voice from below called for Ned,

"Mustn't! Lord, what words you wan! But you'll get over it some do you and you wan! But you'll get over it some do you wan! But a last you'll get over it some do you wan! But you'll get over it some do you wan! But a last you'll get over it some do you wan! But a last you'll get over it some do you wan! But a last you'll get over it some do you wan it always be so bashid."

A voice from below called for Ned Synder.

A voice from below called for Ned.

"It you like them, said on that they deserved.

About four miles out of town, and as they were passing through a heavy wood, the farmer boy smiled a broad smile, and let go the rope, and as the sleigh darted away, the rope passed under the sleigh, fringing it up so suddenly as to throw young Coville heels over head into the snow. When he got up the sleigh was going over a hill, and his tormentor was throwing agricultural kisses at him. It was late at night when Master Coville reached his home, but when he went to bed there were thirteen snow-balls, soaked with water, freez-
