JUNIUSE. WHITING. HOUSESSIGN PAINTING

BRUSSELLS, Aug. 12, 1878. Perhaps the resson why the field of there is nothing left to indicate the terond and Ferry Sts., Albany, Oga | rible strifes and mighty destinies that were decided there. Nothing but a stands alone in the midst of portentious memories, undistracted by the indequate monuments with which men have essayed to mark less importan olimaxes and anti climaxes in the affairs

> artiflery would not have stuck in the mud, and he would have perhaps anibilated Wellington before the Prussian came to his assistance. If the abund ant harvest that stands on the field today had been there then, neither army, even if they had been all cavalry, need have been encumbered or weakened by ubsistence or foraging trains.

No field could appear loss favored by nature for vantage of contending armies. The slight elevation occupied by the English was naturally no stronger than that, three quarters of a mile distant held by the French. Neither elevation was high enough, nor was the interwhere so uneven as to prevent the rapid sasy movement, in any direction, of infantry, cavalry, and artillery. The desperately contented walled garden of Hugement was strong only in the fortiude of the men who held it.

We started from Brusselle at 9 A. H taking an excursion ticket for Braine I' Alleud, which is the railway station nearest the field, and only forty min. et of we started." ute's ride from Belgium's Capital. This is a cheaper, more comfortable, and much quicker way to see the dahl show.

"An' you spec' ter retch dar safe an' soun'! What's yo' ticket!,"

"Ain't got none. Do 'man sed ex lets which they were willing to sell cheep. means follows that the two are so intimatter associated us to make them synovereignty of the two are so intimatter associated us to make them synovereignty of the som was a staunch patriot,
but was in the habit of visiting a Tory
uncle mand Gilbert Harris, who lived
on a farm in the town of Kingsbury,
had on his visit, he would have opened
the engagement five hours earlier, his very young, and the quartette was altogether ragged and forlorn looking. The sympathies of Uucle Remus were integrated in the group by forced marches, and finally unburdened his curiosity:

"Where is yo m'anderin' unto, pard?"

The old nagro, who seemed to be rather suspicious, looked at Uncle Remus coolly, and appeared to be considering whether he should make any reply. Finally, however, he utretched himself and said:

"Wu'se gwine down in de middle government, with a decided ten
very young, and the quartette was altogether ragged, and forlorn looking. The sympathies of Uucle Remus altogether ragged, and forlorn looking. Individuals awayed by passion or tainted with monarchial ideas, may have talked or written widely, and adovocated a form of government under which the States would bear the same relation to the general government as counties now do to the States. During the civil war there was a good deal of this many, doubtlem, who believe a strong that the centre of the baymow are contracted in the affirmance of the baymow."

We've gwine down in de middle group of the country aright, no party form mow owned by Thos. Owens.

It so happened that both Schuyler and Burgoyne wished to secure the services of a confidential messenger. Harris was recommended to Schuyler and was employed by him. He was also sent for by his Tory uncle, and at midnight was aroused by him and asked if he wanted to engage in the King's service. Harris responded in the affirmance of the baymow are the doctrine of State Rights.

It so happened that the thoth Schuyler and Burgoyne wished to secure the services of a confidential messenger. Harris was recommended to Schuyler and was employed by him. He was also sent for by his Tory uncle, and the service was a good deal of this service. Harris responded in the affirmance of the service of a confidential messenger. Harris was recommended to Schuyler and was employed by him. He was altered to be considered to be successed to be a confidential messenger. Harris was recommended to Schuyler and

NO. 6

THE ORDER OF THE GARYER.

In connection with the fact that the

Garter has been conferred on the Earl

of Beaconsfield by the Queen of England, some information in regard to this sucient knighthood may be of interest to our readers. We of this republican land can scarcely appreciate the importance attatched to of this nature in Europe. They con-fer social rank and celebrity, and are recognized as suitable rewards for dis-tinguished public services. The Order of the Carter is the highest and most exclusive order of British knighthood, and one of the oldest and most illusward III, about 1350. Most writers agree that its institution dates from a tournament at Windsor, to which Elward had invited the most illustrious and are crotchetted of very heavy light colknights. The commonly accepted tra- ore I silk. dition as to its origin is the story to d of Elward and the Countess of Salisdrop her garter, the king took it up Cardind and presented it to her, at the same time exclaiming to those who were disposed to smile at his action, "Hom soit qui mal y pense," (Evil to him orings, used for trimming hats and bonnets, who evil thinks). This was the true spirit of chivalry, and it is not surprising that from this incident the idea of mond shape and caught with many colored

has always been limited. It was originally 25 besides the sovereign, who tills all vacancies. The number was after wards made exclusive of princes of the signers on whom the honor might be conferred. Extra knights may be advacancy occurring they become part of the 25. The order itself consists of a wrists are the first choice. There are also mitted by special statutes, but on a
