emedy for all external allments of man and beast.

To stock owners and farmers it is invalentle. A single bottle often myes a human life or re-tores the usefulness of an excellent horse, ex.

row, or sheep. It cures foot-rot, hoof-ail, hollow horn, grub,

screw-worm, shoulder-rot, mange, the bites and slings of poisonous reptiles and insects, and every such drawlack to stock breeding and bush life.

It cures every external trouble of horses, such as lameness, scratches, swinny, sprains, founder, wind gall, ring bone, etc., etc.

The Mexican Mustang Lintment is the quickest

cure in the world for accidents occurring in the family, in the absence of a physician, such as burns, scalds, sprains, cuts, etc., and for sheams

tism, and stiffness engendered by exposure. Par

ticularly valuable to Miners.

It is the cheapest remedy in the world, for it

enetrates the nuscle to the hone, and a single

application is generally sufficient to cure.

Mexican Russiang Limment is put up in three sizes of bottles, the larger ones being proportion ately much the cheapest. Fold everywhere.
