OLD, TRIED, AND TRUE.

People are getting acquainted—and those who are not ought to be—with the wonderful merits of that great American Remedy, the

MEXICAN Mustang Liniment,

FOR MAN AND BEAST.

This liniment very naturally originated in America, where Nature provides in her laboratory such surprising antidotes for the maladies of her children. Its fame has been spreading for 35 years, until now it encircles the habitable globe.

The Mexican Mustang Liniment is a matchless remedy for all external ailments of man and beast. To stock owners and farmers it is invaluable.

A single bottle often saves a human life or restores the usefulness of an excellent horse, ox, cow, or sheep.

It cures foot-rot, hoof-ail, hollow horn, grub, screw worm, shoulder-rot, mange, the bites and stings of poisonous reptiles and insects, and every such drawback to stock breeding and bush life.

It cures every external trouble of horses, such as lameness, scratches, swinny, sprains, founder, wind-gall, ring-bone, etc., etc.

The Mexican Mustang Liniment is the quickest cure in the world for accidents occurring in the family, in the absence of a physician, such as burns, scalds, sprains, cuts, etc., and for rheumatism, and stiffness engendered by exposure. Particularly valuable to Miners.

It is the cheapest remedy in the world, for it penetrates the muscle to the bone, and a single application is generally sufficient to cure.

Mexican Mustang Liniment is put up in three sizes of bottles, the larger ones being proportionately much the cheapest. Sold everywhere.

ADVERTISEMENTS.

$500 FORFEIT!

AMES' IMPROVEMENT IN APPARATUS —FOR— Preserving Meats Etc.,

THE ADVANTAGES CLAIMED FOR this Wonderful discovery are these:

1. Meats can be preserved **perfectly fresh** for an indefinite length of time in an open vessel; that is, a vessel with a cloth tied over it, or with a snugly fitting cover.

2. Vegetables of **all kinds**, if sound can also be preserved indefinitely, and

WITHOUT DRYING OR COOKING.

NO SALT REQUIRED.

3. Any clean vessel of wood, or stone, or glass, that will hold water, may be used to contain the article preserved.

4. The process is so simple that a child ten years old can operate it, and there is

NO DANGER OF MISTAKES.

5. The **flavor** of the article preserved is **not affected** in the least, and as used materials and articles preserved, are

NOT INJURIOUS TO THE HEATTH.

6. For preserving 100 pounds of meat, or a barrel (30 gallons) of vegetables the entire **additional materials** cost

LESS THAN TWENTY-FIVE CENTS.

7. The materials used can usually be obtained at any drug store, and prepared at odd times, when a person is not otherwise busy, and kept on hand for future use.

8. Neither **flies nor vermin** will disturb meat preserved and kept by this process.

9. TAINTED MEAT CAN BE RESTORED to its original condition of sweetness by this process, and then kept sweet and fresh indefinitely.

10. Experiments do not justify giving a guarantee in reard to fruits. But the probabilities are, that large, solid fruits, such as apples, pears, etc., can be preserved. Berries and soft fruits are considered doubtful.

1'. A copy of the above, properly signed is given to the purchaser of every Right, and stands as our agreement and guarantee for the truth of the above statements.

The above process was patented January 15, 1878, by T. G. Ames, of Texas, and the undersigned have the **exclusive** right to sell patents for the same in the States of Oregon, California, Nevada and in the Territories of Washington, Idaho, Montana, Utah, Wyoming and Arizona. Patents for family use **only**, and limited to the productions of the purchaser, including apparatus, list of chemicals, and directions in full for operating and using, will be sold at $10 each. Patents for wholesale purchasers and for counties on reasonable terms.

GOLDEN MEDICAL DISCOVERY

By its great and thorough blood-purifying properties, Dr. Pierce's Golden Medical Discovery cures all Humors, from the worst Scrofula to a common Blotch, Pimple, or Eruption. Mercurial disease, Mineral Poisons, and their effects, are eradicated, and vigorous health and a sound constitution established. Erysipelas, Salt-rheum, Fever Sores, Scaly or Rough Skin, in short, all diseases caused by bad blood, are conquered by this powerful, purifying, and invigorating medicine.

Especially has it manifested its potency in curing Tetter, Rose Rash, Boils, Carbuncles, Sore Eyes, Scrofulous Sores and Swellings, White Swellings, Goitre or Thick Neck, and Enlarged Glands.

If you feel dull, drowsy, debilitated, have sallow color of skin, or yellowish-brown spots on face or body, frequent headache or dizziness, bad taste in mouth, internal heat or chills alternated with hot flushes, low spirits, and gloomy forebodings, irregular appetite, and tongue coated, you are suffering from Torpid Liver, or "Biliousness." In many cases of "Liver Complaint" only part of these symptoms are experienced. As a remedy for all such cases, Dr. Pierce's Golden Medical Discovery has no equal, as it effects perfect and radical cures.

In the cure of Bronchitis, Severe Coughs, and the early stages of Consumption, it has astonished the medical faculty, and eminent physicians pronounce it the greatest medical discovery of the age. While it cures the severest Coughs, it strengthens the system and purifies the blood. Sold by druggists.

Dr. Pierce's Pleasant Purgative Pellets

SIZE OF PELLETS.

THE "LITTLE GIANT" CATHARTIC.

No use of taking the large, repulsive, nauseous pills, composed of cheap, crude, and bulky ingredients. These Pellets are scarcely larger than mustard seeds. Being entirely vegetable, no particular care is required while using them. They operate without disturbance to the constitution, diet, or occupation. For Jaundice, Headache, Constipation, Impure Blood, Pain in the Shoulders, Tightness of the Chest, Dizziness, Sour Eructations from the Stomach, Bad Taste in the Mouth, Bilious attacks, Pain in region of Kidneys, Internal Fever, Bloated feeling about Stomach, Rush of Blood to Head, take Dr. Pierce's Pleasant Purgative Pellets. In explanation of the remedial power of these Purgative Pellets over so great a variety of diseases, it may be said that their action upon the animal economy is universal, not a gland or tissue escaping their sanative impress. Age does not impair the properties of these Pellets. They are sugar-coated and inclosed in glass bottles, their virtues being thereby preserved unimpaired for any length of time, in any climate, so that they are always fresh and reliable. This is not the case with pills put up in cheap wooden or pasteboard boxes. For all diseases where a Laxative, Alterative, or Purgative, is indicated, these little Pellets will give the most perfect satisfaction. Sold by druggists.
