EARLY OREGON HISTORY. THE INDIAN WAR OF 1851. Editor Democrat: In June 1851 I started with a small party of young men, made up at and in sight of four or five Indians, who that night, but sobbed and called to her that led to their homes. After a short were compelled to go to the local agent near Oregon City, all aiming for the had evidently been left behind to watch chief all night. I slept but little, for conversation I took leave for the last of the Board and have a certificate isgold mines in California, at or near and detain the command should they well I knew that if the Major took—as time of the brave and high-souled Kear- sued that they are the owners of the Yroka, where I had for a time been attempt to follow the trail. The mo- he swore he would—the prisoners out ney. He fell in his country's cause. land. This we are informed is not the mining. We made our outfit and set mert we saw them the scouts were orout on the 15th, and had each day the dered to charge, and off they went pellland. This we are intermed to follow the trail. The mone swore he would—the prisoners out
of the country, that it could not be ex.

May heaven rest his soul in peace!

I soon joined our party, and with

I soon joined our party, and with usual pleasant day's ride and at night a mell in pursuit. The Indians scatter- parties of whites would have trouble in our worn out and lame prisoners made the Board in person, when they will be pleasant camp, with plenty of grass for ed, each one aiming to take care of him- passing through their country. Indeed, slow and easy marches. After being informed what steps are necessary to go our ponies, and good spring or branch welf. My son, Joseph L , then a it could not be done. War and rumors several days longer on the road than to the County Clerk and have him issue water to drink and plenty to eat. Our had, who had been with us from the of war would be the result. However, we would have been had not the priso a certificate that the title is vested in trip was pleasant, and nothing occurred start, and who carried a double-barreled carly the next morning, after full conto disturb our journey until we arrived shot-gun, each barrel loaded with an sultation, we agreed that the Indians, at Rocky Point, on Rogue river, where will be issued, without any expense to at Rogue River. There we learned cance ball, and riding the fleetest horse frightened and scattered as they were, we communicated with the Indians and the owner. We would advise all who that Major Kearney, of the U. S. Ar the party—overtook one of the Indimy, who had preceded us some days on has and shot him in the back. The fel- or even overtaken in force, consequent- prisoners. Not far from this we met the State to examine their title and if his way to California (and who had low stumbled and wheeled round to ly we took up the line of march on our Gen. Gaines, Governor of this then Teremployed that splendid early pioneer, face him, when he let him have the return to Camp Stewart—where the ritory, who, on hearing of Kearney's diately. The circular reads as follows: Jesse Applegate, to pilot him through a new route to the Rogue River Valley), had had a sharp fight with the level, had ridden up, saw how the Indian was level. The Indian was level to camp Stewart—where the buried—which Camp we reached at over to him, the chiefs and warriors dark with all our prisoners, but they hostile Indians of that valley, who hard shot, and ordered the pursuit of the were well worn out, foot-sore and hunly allowed any whites to pass through others who were scattered in the brush gry. But they had given to them by their country without giving them all on the mountain side, and off they Kearney's order plenty to eat. In the people. the trouble and doing them all the harm they could; and that Lt. Stewart had they could; and that Lt. Stewart had mountains steep, and consequently the me and begged that I would intercede of incidents of the summer of 1851, I said Superintendent's deeds as made been killed (I was acquainted with Lt. Stewart and esteemed him for his courage and goed conduct upon many battle-fields in Mexico). It was near dark when we heard of the fight, if a fight was to be had.

In the fight, if a fight was to be had.
