gland Weather Coming.

Thère is no use talking, we are bound to have good weather along the latter part of this month, for don't the old women tell us that the ground hog and the lion and lamb business just effectually gets away with all other prophecies. It's just this way according to their belief : The ground hog come ont of his hole on the second of February and if he can see the shadow of his tail he goes finek and holes up for six weeks, and at th end of that time he finds good weather. This year on February 24 he saw Liz shadow Besides this infallible rule they say "If March comes in like a lion it goes out like a lamb," and also that spring opens with ical observations of our fellow townsman, Mr. Easter, which, occurs this year on the 25th of March. You will see at once that all Highest barometer, 20.66; lowest. these rules coincide with each other, which mean, 30.07. shows conclusively that the old ladies have the "bulge" on the weather this spring auy-
