Legion of Honor at Scie-

Editor Democrat:

A little over one year ago the Legion of Honor was organized in Scio. After a few months of interest and meetings, it seemingly died out and no meetings were held. At the Blue Ribbon open meeting Saturday last public notice was given that the members of the Legion of Honor were to meet at the City Hall on the following Tuesday.

On that evening quite a number were pres ent and new officers elected as follows: President-E. C. Pentland.

Vice President-John Beard Secretary O. E. Holdridge. Tremurer J. S. Morris. Sorgeant at Arms-Wm. M. Talestt.

Speeches were made by several of the mem bers and an encouraging elegree of, interest names signed to the Legion of Honor pledge it was found that out of 40 names only eight were known to have broken their pledge. Waters." Several persons whose time was out, signed the pledged for another year. We feel encouraged and on going ahead in the good work. We hope that our sister societies of Legion of Honor will also revive the work as we have done. The Legion of Honor pledge appeals to the common sense and honor of everyone.

Saloons Consolidated.

Bluts on House-Cleaning.

BY PROBENCE IL AIRNEY,

Every Spring there is a great deal of talk in the newspapers about the miseries men endure in house-cleaning time. It appears to report which was unanimously adopted, ex- be taken for granted that this period is one pressing the thanks of the Institute to the of great delight to the women, yet I will a season of unalloyed bliss. They like to bottom, but the process is not at all charming. Yet knowing that it must be done, they make the best of it and don't spend time grumbling over what cannot be helped. Surely the men have little room to find fault are away all day long as a rule, and the bustle and flurry is over when they return at Halaey, was introduced and made a short night, and only begins again when they are capsude and sand-paper are seldom seen. But the housekeeper must be in the thick

of the work all day, or it will not be properly washing of the paint and the taking up of carpets, and attend to her usual daily duties The first days exercises consisted in a dis-The first days exercises consisted in a discussion of the subject "Reading."
