

O. & C. R. R. TIME TABLE.

Table with columns for DEPARTURE OF TRAINS, ALBANY EXPRESS, FERRIS TRAIL, MAIL TRAIN, FREIGHT TRAIN, ALBANY EXPRESS.

Williams at Albany.

Well, the Republicans had a boom. Hon. Geo. H. Williams was here last Monday night and held forth for two hours and a quarter to an immense audience.

Very Enthusiastic.

We suppose every one of our citizens have read the reports in the Register or Herald of the Hancock excursion to Lebanon, and those who were along on that occasion know how unflattering the statements by the two papers were made.

Hopes for Everybody.

John R. McClure is just down from Oak Grove, Wasco county, and will go back in a few days. He says there is plenty of room in that locality for five hundred settlers.

A Magnificent Monument.

Last week a magnificent marble monument was completed by Stager Bros in this city for the grave of the late James A. Porter.

Warehouses Will Burn.

Already five grain warehouses have burned down in this valley during the present season, and when a farmer stores his grain he should by all means insure it against fire.

Synod of the Columbia.

The Presbyterian Synod of the Columbia has been in session at Corvallis this week and will last until over Sabbath.

Do You Want a Harrow?

Carter & Co. still keep for sale at their door factory in this city three sets of Excelsior Harrows and disk mowers.

Williams at Albany.

The Williamses, embracing all the United Presbyterian churches in this locality convene here on Thursday of this week, and will be in session several days.

Gambling to be Suppressed.

A great many sports came from Portland with the intention of carrying on gambling this week openly, but we understand Marshal Hunt expects to give them the grand bonanza.

Wood Wanted.

Any one having wood for sale can hear of customer by calling at this office.

THE "BOY ORATOR."

T. M. Strayer, of Oregon City, has been delivering speeches through the valley in the interest of Hancock and English and appeared in this city last Friday evening.

To Parents and Guardians.

Ed. Batin wishes us to inform our school that he has just received a full line of school books and stationery, and from now until the holidays will receive additions to his stock on every steamer arriving from San Francisco.

Fan for Everybody.

We have noticed that Mark Twain's new book—"A Tramp Abroad"—has been selling rapidly all over the United States, and have often wondered why it was not introduced in this locality.

A Business Change.

We were somewhat surprised to learn a few days ago that W. H. Peters and E. F. Fox had bought out the hardware store belonging to B. G. Clark, but each is the case, and on last Monday morning the new firm of Peters & Fox took charge of the institution.

The Best Thing Out.

One of the most curious and best little inventions we have seen lately is an electric hair brush for sale by Fosby & Mason. It is composed of a combination of substances which produce a permanent electric current which acts immediately upon the hair glands.

To the Public.

For the past few months I have allowed my stock to run down very low for the purpose of getting rid of old goods, and now I have filled up with a magnificent stock of merchandise, well selected and of the latest and best varieties and styles, which I will sell at low prices as can be afforded.

New Gentlemen's Look Here.

Who would not rather have a suit out and made to order than buy custom made clothing, providing the price is low enough? Graham has just received a fine lot of new cloths and will give you the following bargains:

Perfection Agency.

One of the latest and without question the most perfect sewing machine now before the public is the "David" which they actually make out of strips of cloth cups, saucers, baskets, etc., in perfect shape. We saw one at the Albany agency and together with many samples of practical work noted why that there are things never before made on a Sewing Machine. Go and see for yourselves and be convinced. W. B. Scott, Agent.

A Night Accident.

A little boy named Reed, step-son of Mr. Robinson, had a thumb and two fingers cut off by the explosion of a cartridge which he was handling. Dr. Davis dressed his wounds and he is getting along finely.

Losing No Time.

Our farmers have certainly profited by their "trusty" experience, for plows are running now in every quarter of the county, and hundreds of acres of grain are already in line. Many farmers are not going to be caught napping again.

Span of Horses for Sale.

Who wants to buy a span of black horses? A mare and a horse—one six and one seven years old—well broken, well matched and for sale at a bargain. Enquire of C. H. Stewart.

Notice to Farmers.

Go to the Bee-Hive wire works for all kinds of wire cloth and zinc screens for repairing grain cleaners; also for galvanizing wire fruit cloth.

Seventy Cents Per Bushel.

Ballard, Isom and Co., proprietors of the Linn County Mills, are offering 70 cents per bushel in cash for wheat.

COL. JOHN W. FORNEY'S LIFE OF HANCOCK!

We will receive at this office in about two weeks a limited number of these valuable books and all who want copies should send in their names at once. It is a complete and very elaborate work and will be valuable during the coming campaign. It will comprise about 500 pages, will be finely illustrated, and although the price is not yet fixed we are assured it will be less than any other work of the kind.

WHAT BETTER EVIDENCE?

Could the people ask to substantiate the merits of Dr. Pierce's Family Medicines than the fact that they have not only been sold in every part of the world, but that the foreign demand for them has become so great as to necessitate the establishment of a branch of the celebrated World's Dispensary in London, England, that these blessings to the afflicted may be dispatched from that great commercial center of the world to reach the hands of the people? Golden Medical Discovery is a concentrated, potent, alternative, or blood cleansing remedy, that wins its way to the hearts of all who use it.

A Magnificent Present.

The President and party have left this part of the country, but in at least one point in this locality who will not soon forget them, and that is Mrs. A. C. Jones, landlady of the depot hotel. When coming down the road last week the party telegraphed her for dinner, and after they arrived here and had partaken of it they were the happiest set of people we have seen for some time, and were not at all backward in saying that it was the best meal they had eaten since leaving the East. They had been surprised last Saturday night by receiving from the party an acknowledgment of their obligations to her in the shape of a magnificent gold watch, chain, brooch, and ear rings and a very rich dress pattern.

No tartar can erode them, no canker affect the enamel, no species of decay infest the dental bow, if SOZODONT is regularly used. I Wish Everybody to Know.

Rev. Geo. H. Thayer, an old citizen of this vicinity known to every one as a most influential citizen, and Christian Minister of the M. E. Church, just at this moment stepped in our store to see if I wish everybody to know that I consider that both myself and wife owe our lives to Shiloh's Consumptive Cure. It is a saving and tremendous cure over our counters, and is the only medicine in all cases of Lung Diseases, such as Croup, whooping Cough, Bronchitis, etc., that will cure. Sold by Fosby & Mason, Druggists, Albany, Oregon.

Chronic Constipation Cured.

Philadelphia, Pa., Oct. 4, 1879. H. H. Warner & Co.—Gents.—For the past ten years I have suffered the most excruciating pain in my bowels, and my condition was such that I could not get on my feet. I tried every remedy that I could get, but all failed. I finally commenced using your medicine, and I first tried the Pills, and at the end of one week my bowels had attained a regularity and healthy action unknown for years. I was so pleased with the effect that I concluded to try a bottle of your Bitters, and although I have not entirely used the first bottle, I am so perceptibly improved and enjoying the use of your medicine, that I voluntarily testify to the excellence of your remedies. Yours truly, J. C. BROWN.

A Fragrant Breading and Pearly Teeth.

Are you only bothered by cleansing your teeth daily with that justly popular dentifrice, SOZODONT? Composed of rare antiseptic herbs, it imparts whiteness to the teeth, a delicious aroma to the breath, and preserves intact from youth to old age, the best quality of the enamel. It will destroy the strongest teeth unless you are contracted with SOZODONT, and this pure tooth-wash protects the dental surfaces by removing every impurity that adheres to them. Ask your druggist for SOZODONT.

HOW TO SAVE MONEY.—Instead of going to a doctor for a prescription, if you have Bright's Disease, Diabetes, if you have the Back and Loins, Stomach, Inflammation, Catarrh, Gravel, Dropsy, or any trouble of the Kidneys or Bladder, try a bottle of Dr. Mintze's Nephretic, it is the most powerful prescription for these troubles ever compounded.
