The Democrat.

FRIDAY.....OCTOBER 15, 1880.

NATIONAL DEMOCRATIC PLATFORM.

Adopted at Cincinnati, Ohio, June 24, 1880.

The Democratic party of the United States in convention assembled declare:

First—We pledge ourselves anew to the constitutional doctrines and traditions of the Democratic party as illustrated by the teachings and example of a long line of Democratic statesmen and patriots, and embodied in the platform of the last national convention of the party.

Second—Opposition to centralization and that dangerous spirit of encroachment which tends to consolidate the powers of all the departments in one, and thus to create, whatever the form of government, a real despotism; no sumptuary laws, separation of church and state for the good of each, common schools to be fostered and protected.

Third—Home rule, honest money, consisting of gold, silver, and paper convertible into coin on demand; strict maintenance of the public faith, state and national, and a tariff for revenue only.

Fourth—The subordination of the military to the civil power, and a general and thorough reform of the civil service.

Fifth—Right to a free ballot as the right preservative of all rights, and must and shall be preserved in every part of the United States.

Sixth—The existing administration is representative of conspiracy only, and its claims of the right to surround the ballot boxes with troops and deputy marshals, to intimidate and obstruct the election, and the unprecedented use of the veto to maintain its corrupt and despotic power, insults the people and imperils their institutions.

Seventh—The great fraud of 1876, by which, upon a false count of the electoral vote of two states, the candidate defeated at the polls was declared to be President, and for the first time in American history the will of the people was set aside under threat of military violence, struck a deadly blow at our system of representative government. The Democratic party, to preserve the country from the horrors of a civil war, submitted for the time in the firm and patriotic faith that the people would punish this crime in 1880. This issue precedes and dwarfs every other. It imposes a more sacred duty upon the people of the union than was ever addressed to the conscience of a nation of freemen.

Eighth—We execrate the course of this administration in making places for political criminals, and demand a reform by statute which shall make it forever impossible for a defeated candidate to bribe his way to the seat of a usurper by villainies upon the people.

Ninth—The resolution of Samuel J. Tilden not again to be a candidate for re-election to the exalted place to which he was elected by a majority of his countrymen, and from which he was excluded by the leaders of the Republican party, is received by the Democrats of the United States with sensibility, and they declare their confidence in his wisdom and patriotism and integrity unsullied by the assault of the common enemy, and they further declare to him that he is followed into the retirement he has chosen for himself by the sympathy and respect of his fellow-citizens, who regard him as one who, by elevating the standard of public morality and adorning and purifying the public service, merits the lasting gratitude of his country and his party.

Tenth—Free ships and a living chance for American commerce on the sea and on the land; no discrimination in favor of transportation lines, corporations or monopolies.

Eleventh—Amendment of the Burlingame treaty; no more Chinese immigration except for travel, education and foreign commerce, and therein carefully guarded.

Twelfth—Public money and public credit for public purposes solely, and public lands for actual settlers.

Thirteenth—The Democratic party is the friend of labor and the laboring man, and pledges itself to protect him alike against the cormorants and the commune.

Fourteenth—We congratulate the country upon the honesty and thrift of the Democratic Congress, which has reduced the public expenditures $40,000,000 a year, upon the continuation of prosperity at home and the national honor abroad, and above all, upon the promise of such a change in the administration of this government as shall insure it genuine lasting reform in every department of the public service.

COL. JOHN W. FORNEY'S

LIFE OF HANCOCK!

We will receive at this office in about two weeks a limited number of these valuable books and all who want copies should send in their names at once. It is a complete and very elaborate work and will be valuable during the coming campaign. It will comprise about 500 pages, will be finely illustrated, and although the price is not yet given we are assured it will be less than usual for such a work. Give us your names, or send them in by postal card, and we will let out the books when they arrive in the order that your names appear. This work has a national reputation and is considered far in the lead of all other biographies of the great soldier-statesman—the next President of the United States. By reading Forney's biography of him you get a good history of the Mexican War and a complete record of the heavy battles of the War of the Rebellion, for he participated in nearly all, and was generally the leading spirit in all battles in which he was engaged.

White's Prairie Flower.

Taken before retiring, will insure a good night's rest, with an awakening in the rosy morn to health, courage and vigor. For coated tongue, bad breath, sick headache, or any disturbance arising from dyspepsia or torpid liver it is without a peer. Its action on disease is entirely different from any medicine ever introduced, quieting pains almost instantly. The hue and cry raised against it by patent medicine men, who have foreseen in its advent the destruction of their nefarious business, and the thousands of unsolicited testimonials flowing in from all parts of the New World, is a sure indication of its great merits. Trial size at all Drug Stores. Half pound bottles, 75 cents. **Foshay & Mason, Sole Agents.**

BETTER THAN GOLD is perfect health, and yet many are suffering the tortures of the damned with Dyspepsia when a single bottle of DR. MINTIE'S ENGLISH DANDELION LIVER AND DYSPEPSIA PILLS will give relief, and, if persisted in, will cure the worst case of this distrasssing trouble. This pill cures Torpid Liver and Billousness, Regulates the Bowels, removes Pimples from the Face, cures Sallow Complexion, Foul Breath, Sick Headache, Heartburn, Pain in the Sides and Back; is Sugar-coated and GUARANTEED to be PURELY VEGETABLE. It acts directly on the coating of the Stomach and on the Liver. Can be taken in any clime—wet or dry weather. Beware of imitations. The genuine has an engraving of a lion on the outside wrapper. *Price*, 50 cents. For sale by all druggists.

THE SOURCE OF STRENGTH.

Physical force is one of the greatest of human possessions, but unfortunately it lasts only a short time. Accident, disease or old age come along, and the forces which were once so powerful quickly pass away. Anything that can restore these powers or preserve them is therefore more valuable than the powers themselves and more to be admired. This is exactly what Warner's Safe Kidney and Liver Cure does. It takes the body when it is broken and bowed by sickness and restores it to the powers it once possessed. It casts disease and all other opposing evils over the precipice into oblivion. It has no friends that are enemies of health and no enemies that are the friends of health. The vast importance of the lower portion of the body in producing good health is becoming better known every day. Both men and women of all classes realize this. For women previous to child-birth, for all diseases peculiar to their sex, for debilitated men and puny children there is nothing which so safely and surely sustains and restores as this Great Natural Remedy. The kidneys and urinary organs, when deranged, undermine the life much quicker than consumption, and they must be attended to promptly or fatal consequences are sure to follow. The testimonials which are printed herewith clearly show that Warner's Safe Kidney and Liver Cure will not only check those diseases but entirely cure them even if they have become seated. It is the only known remedy which will safely and certainly do this, and there is not an instance on record where it has failed. It is for sale by druggists in all parts of the world and is manufactured by

STRONG WORDS FROM STRONG SOURCES.

The following statements are the voluntary expressions of a few among thousands who have been saved by the use of Warner's Safe Kidney and Liver Cure. The writers are not personally known to the proprietors, but they have sent these letters as expressions of their gratitude. Their sincerity, therefore, cannot be questioned:

Messrs. H. H. Warner & Co.:

Gentlemen: I have for a long time been afflicted with a terrible kidney complaint, which it seemed at times nothing could control. I tried doctors and medicine extensively, but found no relief. Finally I was advised by a friend to try your Safe Kidney and Liver Cure, and now, after suffering nearly four years the most acute pain, I find myself entirely well and able to attend to business every day.

JOHN G. L. CRAWFORD.
Jersey City, June, 1880.

Messrs. H. H. Warner & Co.:

Gentlemen: Without solicitation I desire to express to you my high appreciation of your remedy. Some time since my attention was called to a gentleman who had for a long time been a great sufferer. After making a thorough examination of the case, I found that his kidneys and liver were badly affected. Not without hesitation I prescribed your Safe Kidney and Liver Cure. The result, after taking two bottles, has been satisfactory in the extreme. Without hesitation I would prescribe the same remedy to all similarly afflicted. Yours truly,

R. CAULKINS, M.D.
Rochester, N.Y.

Messrs. H. H. Warner & Co.:

Gentlemen: I have been afflicted with disease of the kidneys for the past two years, and have tried numerous remedies with only partial and temporary relief. Your Safe Kidney and Liver Cure was recommended to me, and after taking it the pain and distress left me and I am today feeling strong and well. I am perfectly satisfied that Warner's Safe Remedies are the medicines needed, and can cheerfully commend them to others.

Fruits and Vegetables!

FARMERS, TO BECOME WEALTHY, LIKE THOSE OF FRANCE AND GERMANY, must increase their exports. We are producers as well as consumers—must produce more than we consume—and in no way can we do this more effectually than by planting good orchards of select fruits, thereby making a good and happy home for your children, and at the same time giving them useful and remunerative employment by learning them how to preserve the great varieties of fruits and vegetables that grow upon their father's farm.

From ONE TO FIVE THOUSAND DOLLARS per annum can be realized by the use of

which absolutely has no machinery of any kind, and is so simple in its construction that children and aged people can run it on any kind of fruit or vegetables. Seventy-five in successful operation in Linn County. Its cheapness recommends it to everybody.
