Death of Samuel Cooper.

Samuel Cooper, an old resident of this county, died at his farm on the Albany Prairie, last Saturday night after an illness of only a few moments. He had been afflicted with rheumatism for several years, but was no worse than usual up to about an hour before his death. It is thought that the disease attacked his heart, causing his sudden death. His remains were brought to this city last Monday and buried in the cemetery, Rev. Dr. Hill conducting the ceremonies. Mr. Cooper was a native of Maryland, and came to this state in 1847. He has raised a large family, the oldest of whom is Mr. B. Cooper, of Center precinct.

The Weather.

The following is a summary of meteorological observations for October, 1880, taken at Albany, Oregon, by John Briggs:

Highest barometer during the month, 30.44; lowest, 29.76; mean, 30.06

Highest temperature during the month, 74; lowest, 30; mean, 50.5.

Prevailing wind, north; maximum velocity, 3.

Total rainfall, 1.12; number of rainy days on which .01 or more rain fell, 6; number of days of cloudiness, average 8 in. scale of 10, including fog, 25.

Number of frosty mornings, 21.

A Fire Alarm.

Last Sabbath evening just as the different churches of the city were dismissing, an alarm of fire was rung out by the No. 1's bell. The engines and truck came out in a hurry, but it was soon ascertained that the alarm had been false. Mark Baumgart happened to go into his saloon, and found it full of smoke, but after he had given an alarm it was ascertained that the damper in his stove pipe had been shut, which forced the smoke out into the room.

The Compton-Johnson Case.

The case of the State vs Frank Compton, an action for seduction under promise of marriage, came up in Court last week before Judge Boise. The young man was found guilty, but the affair was compromised by his marrying the young lady and paying costs. This young couple would have been married months ago had it not been for some scandal mongers, who peddled lies to Mr. Compton in regard to the young lady to whom he was betrothed.

The Sodaville School.

The first month of the current quarter of school at Sodaville closed on the 22d of October, and the enrollment stood at 28. Effie Robinson, Rhoda Stringer, Rosa Goble, Etta Parrish, Lorin Coyle and Evarts Parrish were not absent during the month. Effie Robinson, Lily Edwards; Mary Wiley, Geo. Edwards, Ernest Miller and Frank Healy were not tardy. Parents of the pupils are invited to visit the school.

L. M. NICKERSON, Teacher.

A Grange Picnic.

FORKS OF SANTIAM, Oct. 25th.

Editor Democrat:

I had the pleasure of attending one of the largest Grange picnics at Santiam Grange Hall last Saturday that I have ever known of in this locality. The meeting seemed to be conducted principally by Wm. Cyrus, Master of the Grange, and as long as such men are in the lead I cannot help having great confidence in the order. Over 250 persons were present. After all had congregated at the hall a procession was formed, and, led by the little folks, marched around the north of the building, and attacked a bountiful repast which had been spread there by the sisters. This was a part of the program in which all could take part—in fact the victuals were so good that all *had* to. At the close of the dinner all repaired to the hall, and Hon. John Bryant being introduced, made a very appropriate address to the childen, of whom there were many present. I never knew before that the Grange had anything to do with children, but I think more of the organization now than ever. It seems to be just a large family—and a well-regulated family, too—where each member is interested in the affairs of all, and even the children are not forgotten.

R. A. Irvine, State Deputy, was then introduced, and talked to the audience nearly an hour, showing up in a very pointed manner the objects of the order, and what benefits had been derived from it by the farming community since its organization. His points were all made exceedingly plain, and were very convincing—just what is needed to cause the membership of the order to increase.

At the close of Mr. Irvine's remark's a little daughter of L. W. Pomeroy delivered a recitation surprisingly well for one of her years. A choir rendered good vocal music after each speech, and I believe that I enjoyed the whole proceedings more than at any other gathering I have ever attended in "The Forks." It is my opinion that these gatherings should be held oftener. The Grange has been very much misrepresented by parties who never understood its workings, and nothing will accomplish more towards placing it in a right light before the people than these picnics or sociables. I am very glad that I attended, and hereafter shall never miss an opportunity to swell the crowd on such occasions.

A FARMER.

Have All Voted Who Wish?

If so we declare the ballot closed, and will now pass to a new subject. We wish to call the attention of our readers to the importance of trading with Conrad Meyer. His baking is acknowledged to be the best in the whole upper valley, and his stock of groceries is large, pure and fresh, and well selected for tess market. He also keeps on hand family provisions and produce of all kinds, in fact you can get of him anything you may want for your table, and have it delivered right at your door. Besides this he wishes us to announce to all that he has already received his holiday stock of toys, and will be more able to please the public than ever before. Don't forget to call around and see him.

The New Music Store.

Perhaps it is not generally known that the NEW MUSIC STORE on First street carries the largest stock of sheet music, instruction books, etc., of any house on the coast outside of San Francisco.

Mr. Allen is recently from California, and has brought a large stock of pictures, frames, brackets, school books and stationery, which he sells at San Francisco prices. The people of Albany and community should certainly patronize such a store and do all they can to encourage the new enterprise.

A MAN MISSING.

Information is wanted of the whereabouts of John Palmer, who left Benton county last Spring to go to Knox Butte, in Linn county, since which time nothing has been heard from him. Palmer is a small, dark-complexioned man, about 45 years old. He left a large family, who are anxious to learn his fate. Address information to WILLIS CARTER, Albany, Oregon.

Oregon papers please copy.

Important to the Public.

Wm. L. Watkins has opened out a place of business in one of the O'Toole bricks. He will keep on hand staple groceries, provisions and all kinds of fruit in their season. He will also pay the highest cash price for poultry, eggs, furs and hides. Be sure to call on him.

Do You Believe It?

That in this town there are scores of persons passing our store every day whose lives are made miserable by Indigestion, Dyspepsia, Sour and distressed Stomach, Liver Complaint, Constipation, &c., when for 75 cts. we will sell them Shiloh's Vitalizer, guaranteed to cure them. Sold by Foshay & Mason, Druggists, Albany, Or.

Do You Want Furniture?

Jas. Dannals, in this city, now has on hands a larger stock of furniture than any other establishment this side of Portland, and if you want to purchase any it will pay you to give him a call. He has something to tell you in regard to his prices.

Fine Furniture.

Fred Graff is manufacturing some of the finest furniture ever exhibited in this market. His bedroom sets are perfect models of taste and beauty; and what is better still, they are all from Oregon timber.

Notice to Farmers.

Go to the Bee-Hive wire works for all kinds of wire cloth and zinc screens for repairing grain cleaners; also for galvanized wire fruit cloth.

Angora Goats for Sale.

The "Laughing Man" came "gol dern nigh" splitting his sides roaring over the work done at the State Fair on the "Davis" Sewing Machine.

We see by the reports at hand that the "Davis" sewing machine was again victorious at the State Fair, receiving the First Premium, as it did last year.

There will be no religious services at the College Chapel next Sabbath, except Sabbath School, Rev. Condit having gone to Crawfordsville to organize a new church.

Arthur M. Mattoon, just from Marietta, Ohio, has been engaged as teacher at the College. This institution is filling up so fast that the employment of an extra teacher was made necessary.

The Star Brewery Beer still retains its popularity, and large quantities are sent off to other portions of the state on almost every train, and here at home it has a large sale.

Two young men of our county, who have been married lately have subscribed for the DEMOCRAT. That is right; no well-regulated family can do without a good newspaper.

Farmers, you have no idea how low fire insurance is. C. H. Stewart will write you a policy for $1,000 on a first class dwelling house, or the contents, for three years, for only $15, and give you the choice of any of his large English companies.

John Foshay, the senior partner of the firm of Foshay & Mason, has gone down to San Francisco to lay in a stock of drugs, medicines, books, stationery, etc., and our readers should look anxiously for his return, as they will then have the opportunity of buying everything in the line mentioned above at low rates.

GREEN'S AUGUST FLOWER.

It is natural for people suffering with Dyspepsia and Liver Complaint, or any derangement of the digestive organs, such as Sour Stomach, Sick Headache, Habitual Costiveness, Palpitation of the Heart, Heart-burn, Water-brash, gnawing and burning pains at the pit of the Stomach, Yellow Skin, Coated Tongue and disagreeable taste in the mouth, coming up of food after eating, low spirits, &c., to put off from day to day buying an article that they know has cured their neighbor, friend or relative, yet they have no faith in it until it is too late. But if you will go to your druggists, Foshay & Mason, and get a bottle of GREEN'S AUGUST FLOWER your immediate cure is as certain as you live. Sample bottles of this medicine can be obtained for 10 cents to try its superior virtue. Regular size 75 cents. Try it; two doses will relieve any case.

BETTER THAN GOLD is perfect health, and yet many are suffering the tortures of the damned with Dyspepsia when a single bottle of DR. To Parents and Gardians.

Ed Baum wishes us to inform our readers that he has just received a full line of school books and stationery, and from now until the Holidays will receive additions to his stock on every steamer arriving from San Francisco. As the Public Schools will open out generally next month, you should call around soon and lay in a supply of books for your children and give them a chance to peruse them before school opens. His motto is—"The best of goods at bottom prices." Don't forget the place—corner of First and Broadalbin streets, opposite the building which is now being erected for Senders & Sternberg. Call on him and he will treat you well.

We might also add that besides doing a large retail business in stationery, tobacco and cigars, he is also prepared to sell very cheap at wholesale. Country dealers should make a note of this.

We Can't Talk

Without showing the condition of our teeth. Every laugh exposes them. In order not to be ashamed of them, let us use that standard dentrifice, SOZODOT, which is sure to keep them white and spotless. No tartar can encrust them, no canker affect the enamel, no species of decay infest the dental bone, if SOZODONT is regularly used. It is a botanical preparation, and its beneficial effects on the teeth and gums are marvelous, as it removes all discolorations, and renders the gums hard and rosy.

To the Public.

For the past few months I have allowed my stock to run down very low for the purpose of getting rid of old goods, and now I have filled up with a magnificent stock of merchandise, well selected and of the latest and best varieties and styles, which I will sell at as low prices as can be afforded. I thank old customers for their liberal patronage and respectfully request a continuance of the same, and to new customers I promise fair dealing, and will give them as good bargains as they can get anywhere.

I. G. JACKSON.

Wood! Wood!

Several of our subscribers have agreed to pay us their subscription in wood, and now, if they have time to deliver it, we would like to have them come forward. If all respond who have promised to do so we will have fully enough to last us through the coming winter. Don't forget this; come on as soon as possible, and if your neighbors want a good paper tell them to bring us wood and they can get it.

Perfection Surely

One of the latest and without question the most perfect sewing machine now before the public is the "Davis;" why they actually make out of strips of cloth cups, saucers, baskets, etc., in perfect shape. We saw one at the Albany agency and together with many samples of practical work noted will say that there are things never before made on a Sewing Machine. Go and see for yourselves and be convinced. W. B. Scott, Agent.
