MART, V. BROWN, EDITOR. FRIDAY ..... DECEMBER 17, 1880.

#### PROSSER'S LETTER.

nean free trade ; for under the present was President of the W. V. & C. M. system of deriving duties on imports, a) W. R. Co., sets him and the Oregonian

THE TARIEF QUESTION.

large amount of the revenue necessary In yesterday's edition of the Oregon to defray the expenditures of the naan there appeared a letter of Wm. F. tional government ; a tariff for revenue Prosser, in answer to the letters of ecessarily means a comparatively and John A. Crawford and Jason Wheeler. absolutely high tariff, and one that in ton, headed "An Oregon Fraud," and in regard to the road over the Coscades between this city and Prineville. He all conscience ought to satisfy asy rer sonable demand for protection. denies stating to Mr. Crawford that the Second-A tariff for revenue road was better than he (Crawford) ot mean a further continuance of high rendered to the general land office by a had represented, but we learn that if need be Mr. Crawford's statement can taxation-imposed originally and solely to meet the exigencies of a great warbe verified by witnesses. He also in time of peace, when all necessity for charges that Mr. Crawford's and Mr. such taxation has passed away, Wheeler's lotters are tissues of unmiti-Third-It does not mean the further gated fabrications, and intimates that continuance of a mixed system of du- not, says one thing and writes the opthey were written by other parties. That very point shows conclusively ties; so much specifically per pound,

per gallon or bushel, and then in addithat Mr. Prosser is not the author of the letter to which his name is signed, tion so much ad valorem. honesty No ordinary person-often expertaas he has only met Mr. Crawford a

very few times, and his acquaintance can readily tell what such duties with Mr. Wheeler only reached over amount to in the aggregate. They the period of his trip over the road in were intentionally made complicated to question, consequently he is not ac prevent knowledge. They afford conquainted with them to be sufficient to seant temptation on the part of imjudge of their literary attainments. The porters to deceive and of officials to been made at the land office that there facts of the case are that the Prosser abuse their trust.

Such duties, furthermore, act as proletter was written in Portland by par hibitors of imports, and so dry up com ties who are doing everything in their merce, increase enormously the cost of power against the proposed Oregon Paommodities to the people, and to precific Railyead.

vent the treasury from obtaining reve-This letter also slates that on ac count of the lack of bridges on the San-

In support of these statements, take tiam, Soda, Elk and Snow Creeks, travel could not begin on the road during the following illustrations and proofs : In 1879-80 we imported \$39,980,000 the past season until July 18th. Anyworth of woolen goods; in this vast one who has ever been over the road mount only \$5,000 in value represent will at once notice the absurdity of this mports of blankets, and the people o statement. Elk and Saow creeks are the United States use annually blankets so small that a man can cross them at

two steps ; over one there is a bridge to the value of \$120,000,000. Now the reeson why only \$5,000 now, and the other is so shallow that a horse's knee would not be dampened worth of blankets were imported in by crossing it. The facts of the case 1879-80 is that on the commonest are that a working force followed up cheapest class of blankets, such as the the snow line in the spring, and as soon poor man can only buy and must have, as the fallen timber was removed travel that the miner, the traveler, the emcommenced ; the streeps mentioned ployes of our railroads, conals, forges had nothing to to do with it. The open- and furnaces generally buy and use, ing up of the road depends entirely up- such blankets as cost thirty cents per on the season. The writer of this arti- pound in Europe, the duty is twenty cle, together with Dr. T. W. Harris cents, and thirty-five per cent. ad valoand Dr. E. O. Smith, took the first rem. Now, how many persons know wagon across the mountains in 1877, how much these mixed duties amount crossing this road during the last week to ? They amount to one hundred per
