### SAMUEL E. YOUNG,

# The Democrat.

FRIDAY............OCTOBER 14, 1881

The bulb of the tuberose never blooms but once. They require a

It it estimated that one scale bug will yield 800,000 bugs in a single

At the present price of improved cattle no farmer can afford to keep scrub stock.

Plaster sprinkled upon rose bushes and grape vines is recommended to keep off the rose beetles.

It is questionable if the present system of close pruning adopted by most California grape-growers is the best in the long run.

In selecting apricot trees for the coming winter's setting be sure to get gowl trees that have not been too much forced by irrigation.

A teaspoonful of carbolic acid in two gallons of water, is said to prove as destructive to the current worm and rosebug as hellebore.

The steam-using machine tried at San Jose for killing the scale bug and other pests, did dot seem ro do much execution. It hurt the trees, though, according to reports.

A farmer on Grand Island, Sacremento county, had 15 acres of peaches this year, for which he was offered \$5,000, but concluded to gather the crop himself, and it netted him \$11,-

Considerable attention is being given to quinces. The canners and shippers are buying at from 11 to 2 cents per pound. Quinces are worth \$5 a box in East, and they bear shipping any distance.

J. F. Lewis, the owner of the old John Jarvis vineyard, which is located on Vine Hill, Santa Cruz county, has 30 acres of bearing vines; he says he has the largest crop of grapes ever raised on the place, and expects to realize 17,000 gallons of

It is understood that the Malaga grape crop will be an almost entire failure this year, and that an advance in the price of raisins will be sure and strong. Buyers are abroad contracting for all the Muscat grapes they can find. It may also be stated that the black malvoise can be turned into good raisins. Let all make raisins who can, and make the best quality possible.

in fruit at Olema, embracing apricote, nectarines, grapes, currants, goose- invigorates and stimulates without exwhich are remarkably thrifty, bear-ing largely, and having extra good every way conducite to health and nerve

Grapes for wine are being shippe i from Chico. The grapes are picke i from the vines in bunches and brought to the car in wagons, wher they are weighed and damped righ. into the car without packing, until it is filled. The price paid per ton i-

Blood readily decomposes in the soll, yielding ammonia and nitric acid Wool and hair decompose much more slowly, and their effect is spread over many years. Dried blood is an excellent manura for wheat, Wool and hair are sometimes used for hops.

It is believed a vineyard is worth \$100 per acre when the vines are 1 New York, is authorized to contract for year old, and increase in value at the advertisements in the DEMOCRAT at our rate of \$100 per acre until they are 3 | best rates. years old, when they will produce \$100 worth of grapes to each acreunder favorable direumstances.

The white Sauvignon, for white wine ranks with the Green Sauvignon and Johannisberg Riesling and is a prolific bearer. This, with the green Sanvignon and Johannisberg Riesling, will bear heavily-even on, the poorest land. It is a rank grower and mustbe heavily staked.

The beards of bearded kinds of wheat adds materially to the weight of the heads. Given the weight of kernels to be the same, and the strength and height of straw, as between bearded and beardless kind it is plain the bearded will lodge before the beardless. Beards are of no

King of the Blood

Is not a "cure-alle" it is a blood-purifier and tonic. Impurity of blood poisons the system, deranged the circulation, and thus induces many disorders known by different names to distinguish them according to effects, but being really branches of phases of that great generic disorder. Impurit of Blood. Such are Dyspepsia. Billousness, Lie Complaint, Constipation. Neurous Disorders, Head ache, Backnehe, General Weakness, Heart Diseas Dropsy, Kaney Disonse, Piles, Rheumatism, Clarrh. Scrofula, Skin Disorders, Finples, Ulea Swellings, &c., de. Is lug of the Blood prever and cures these by attacking the cause, Impur of the Blood. Chemists and physicians agree calling it "the most genuine and efficient prevation for the purpose." Bold by Druggists. \$1. bottle. See testimonials, directions, &c., in present the Blood.
