ARANG RANDA

Let the reader remember that there s a right and wrong way of hand-shaking. It is horrible when your uneffending digits are seized in the sharp compress of a kind of vise, and wrung and squeezed until you feel as if they were reduced to jelly. It is not less horrible when you find them lying in a limp, nerveless clasp, which makes teo response to your hearty greeting, but chills you like a lump of ica. neither using an undue pressure nor falling wholly supine. You may judge of the character of a man from the way in which he shakes hands; there is the shake lymphatic, the shake aggressive, the shake supercillious, the shake sympathetic, and the shake emotional. Compare these statements with the Charles Lamb describes also, pumpfollowing texts, remembering that the bandel shake, which is executed by "To show its nature, force, and Matt. XXVIII 18-20. "All power character, this shake should be peris given unto me in heaven and on formed with a firm and steady motion. save all things whats:ever! have com- catidg the shoulder of the person on manded you and to I am with you al- whom it has been attempted.
