Dr. SPINNEY,
NO. 11 KEARNEY ST.
Treats all Chronic and Special Diseases.
YOUNG MEN
WHO MAY BE SUFFERING FROM THE
effects of youthful folly or intemperance,
will do well to consult this doctor. His
experience is such that he can cure every
case of Gonorrhea, Syphilis, or any other
venereal disease, or any other kind of
disease which he undertakes and bills to cure.
MIDDLE-AGED MEN.
There are many of the age of thirty-five to sixty who
are troubled with too frequent evacuation of the
urinary organs, and a weakening of the system in a
manner that cannot be accounted for. On examining
the urinary deposits a white sediment will often be
found, and sometimes small particles of albumen will
be seen. The color will be a dirty yellow, and the
fluid will be thick and viscid. There are many
cases where the urine is of a dark color, and the
sediment is of a dark color. This is the result of
the second stage of venereal disease. Dr. S.
will guarantee a perfect cure in all such cases, and
a healthy restoration of the genito-urinary organs.
Office Hours—10 to 4 and 6 to 8. Sundays from 10
to 11 a. m. Consultation free. Through examination
and analysis.
For private diagnosis of short standing a full course
of medicine will be given, with full instructions,
and will be sent to any address on receipt of \$10.00.
Call and see him. 111 Keary St., Albany, Ore.
