Covrent Topics.

Albaay wants men who will build it up and not un it down.

The Marshalship is of interest to more than two. It is a responsible office that deserves to be filled by a good man. A big brick block on the corner o First and Froadalbin has been talked of

The school house question is taking root. The general sentiment seems to be in favor of a new building that will be an honor to the city.

That all available houses are rented is good evidence that there is lots of life in Albany yet.

An advance agent told us this city was getting the name of being "the funeral town." This has taken its name from a few old croakers who spaud their time in running it down.

#### Handled the Gun-

Last Friday a twelve year old son ef Messer Smith went into a laundry house finishing strokes. at Lebanon, with a shotgun in his hand.

A celestial wanted to see it, which young Smith permitted. Taking it in the former paying taxes on \$59,790, and the in Alauy, including cauned goods of all his hand, the pigtailed ignoramous latter on \$48,350.
