Pionecrs.

calling a meeting in this city this Spring for the purpose of organizing a Pioneers Association for this county. The prevailing opinion seems to be that this Association should include in its membership all who came to this county at or before the year 1852. We think this is a move in the right direction. We hope all those who risked life and property for the purpose of settling the question as to whether Oregon should belong to the United States or Great Britain, as well as those who came 10 pounds to the dollar. for the purpose of making homes in this then a wilderness, may have the opportunity of meeting each other face to face and Albany and Corvallis. talk over the trials and hardships of early | Any person having mowers that need men, ploseers, all over the county and tically by John Briggs. when the meeting shall be called let every man an I woman who is entitled under the call to become a member attend and contribut; by their presence and influence to the success of this movement. Our

columns are open to a limited number of communications on this subject.

Birthday Episode.

Josh Billings Beard From Newport, R. I., Aug. 11, 1880. Dear Bitters-I am here trying to breathe

in all the sait air of the ocean, and having been a sufferer for more than a year with " I have been greatly helped by the Bitters, and am not afraid to say so:

We want stock land, grain farms and all kinds of lands to sell to emmigrants that the blondest kind of a blond, dressed in are constantly arriving here in search of the latest style, who was on her way to homes. We have made arrangements in Ali made out of the best second growth Southern Oregon from San Francisco. Portland and San Francisco by which all

gentleman friend. of Oregon will be sent to us. If you desire "Ab," she sold in a theatrical style, your land sold soon and on good terms "Pertland is three months behind the call on or send for blank contrac s for de-

and deeply afflicted audience. She leaves ity and exercise faith in its teachings, but rey has a case on the "Commercial Liermany rela ivos and friends to mouro her loss, and rejoice in His victory. "Blessed are the dead which die in the Lord." J. HENRY WOOD

R. R. Work at Harrisburg.

The "Mercury" has the following in reference to the work being done on the O. & C. R. R. at liarrisburg :

At Harrispurg the channel during the treshe's last Winter changed from its old course, and new the river, instead of running under the "draw" of the bridge, has made a way for itself under the second span beyond the "draw," and the company has a large force of men at work build.

ing wing dams for the purpose of return-ing the river to its old channel. At this The best salve in the world for cuts, bruns bridge the railroad company has con-structed an incline nearly a mile in length a, sores, ulcers, salt rheum, fever sores, tetter, chapped hands, chilblams, corns and all kinds of skin eraptions. This save is guar- from the trestle work approach to the railantesd to give perfect stisfaction in every that gravel trains back down and are load Fer sale by Foshay and Mason, ed with river washed gravel for ballast. This washed gravel makes the finest pos-

sible baliast for a railroad, and the compa-ny is wise, as well as fortunate, to get it.
