About the time the advertisement first appeared in this paper Mr. P. G. Schermerhorn, who resides near Colliers had a spavined horse. He read the advertisement and concluded to test the efficacy of the remedy, although his friends laughed at his credulity. Be bought a bottle of Kendall's Spavin Cure and commenced using it on the horse in accordance with the directions, and he informed us this week that it effected such a complete cure that an expert horseman, who examined the animal recently could find no trace of the spavin or the place where it had been located. Mr. Schermerhorn has since secured a copy of Kendall's Treatise on the Horse and his Disease, which he prizee very highly and would be leth to part with at any price, provided he could not obtain amother copy. Se much for advertising reliable articles.

Kendall's Spavin Cure.

Wilton, Minn., Jan. 11th, 1881.

The B. J. Kendall and Co., Gents: Having got a horse book of you by mail a year ago, the contents of which persuaded me to try Kendall's Spavin Cure on the hind les of one of my horses which was badly awoolen and could not be reduced by any other remedy, I got two bottles of Kendall's Spavin Cure of Preston and Ludduth, Druggists of Wassea, which completely cured my horse. About five years ago I had a three year eld colt sweenled very badly. I used your remedy as given in your book without rowelling, and I must say to your credit that the colt is entirely cured, which is a surprise not only to myself but also to my neighbors. You sent me the book for the trifling sum of 25 cents and if I could not get another alike it I would not take twenty-five dollars for it.

Yours truly,

Fremont, Ohio, Jan. 25th, 1881.

Dr. B. J. Kendall and Co., Gents:—I think it my duty to render you my thanks for benefits and profits which I have derived from your invaluable and far famed Spavin Cure. My cousin and I had a valuable stallion, worth \$4000 which had a very had spavin and was pronounced by four eminent veterinary surgeons, beyond any cure, and that the horse was done for ever. As a last resort I advised my cousin to try a bottle of Kendall's Spavin Cure. It had a magical effect, the third bottle cured it and the horse is as well as ever. Dr. Dick of Edinburgh, the eminent veterinary surgeon was an uncle of mine, and I take great interest in assisting his profession.

Early last summer Messrs. B. J. Kendall and Co., of Enosburg Falls Vt., made a contract with the publishers of the "Press" for a half column advertisement for one year setting forth the merits of Kendall's Spavin Cure. Advantages--- Why It Concerns You. "There is no mistake about it," remarked Dr M F Flowers, of Galiatin, Missouri, "Benson's Capcine Porous Plasters are one of the nestest combinations ever produced. They have two kinds of advantages over all others, which we may call the minor and the majer. First, they are clean and pleasant to use, never soiling the hands nor the linen of the wearer. Second, they are quickly and powerfully. I have tried the Capcine Plaster on myself for pneumonia, and en my patients for various diseases, such as neuralgia, muscular, rheumatism, lumbago, kidney trouble, etc., and in all cases relief has followed in from three te forty-sight hours."

Dr Flower merely voices the written or oral opinion of thousands in his profession. Benson's Capcine Porous Plasters are the perfect external application. The genuine have the word Capcine cut in the centre. Price 25 cents. Seabury and Johnson, Chemists, New York,
