"There is no mistake about it," remarked Dr M F Fiowers, of Gailatin, Missouri, "Benson's Capcine Forous Plasters are one of the neatest combinations ever produced. They have two kinds of advantages over all others, which we may call the mino and the major. First, they are clean and pleasant to use, never soiling the hands nor the linen of the wearer. Second, they are quickly and powerfully. I have tried the Capcine Plaster on myself for pn sumonia, and on my patients for various diseases, such as uralgia, muscular, rheumatism, lumbago, kidney ouble, etc., and in all cases relief has followed in n three to forty-eight hours."
