a.*

Many people had rather be humbugged than not, and seem to seek for seme manner of being cheated, as a fox hunts picnic, when all returned to their various for his hole when a hound is on his track. The worse the humbug the more they will be taken in. The wheel of fortune, the soap, the empty boxes Mr McMillan starts for South America all bring them to their knees, and their (probably Chili) soon, in the pursuit of his pocket books are soon empty, and they would never be happy without at least trying to make ten dollars by investing one. The man gets along the best in the world who makes his money in a legiti nate way, even though slowly, and does not give it away to every scuryy scalawag who infests the country.

The 4th at Sedaville.

The following account of the celebration

The weather being fine a large crewdots sembled, and at 11 a. m. the exercises were came the oration by Dr J W Watts who showed up in a most eloquent manner the progress of America since its discovery by Mr H C Holcomb, a school teacher of Cloumbus, the oration was both entertaining ten years experience, having a good repu- and instructive, giving entire satisfaction to tation as an instructor, would like a posi - all who heard it. In the afternoon and Sattion as teacher in a private family. Ad- urday and Sonday the Doctor entertained dress Mr Holcomb at this pity. Good ref- the people as previous announcement on the all important subject of temperance, Petitions were circulated and extensively signed asking the Legislature to enact laws doing
