His record of 2:41 is not to be understood as his utmost at that time for it was the first heat in the race and he was never once pushed. He has trotted a half mile in 1:17 and shown quarters at a faster gait, Though he has shown us trials much faster, yet 2:41 must be regarded as remarkable time for, a three year old over Oregon tracks; and no three year old has ever ap-proached it nearer than six seconds, excepting his aunt Venits, who won the three year old race at the State Fair in 18%3 in 2:421%.
