

Common Council. Thursday evening, July 16, 1885. Present—Mayor, Recorder, Marshal, and Alder Bridges, Foshey, Peters and Blackburn. Committee on Streets was granted further time to report on petition for bridge at junction of Fourth and Thurston Streets.

Next week the DEMOCRAT will be twenty-one, and has it not, like every young man, on reaching maturity, a right to grow over the fact. It has labored for Linn county and Albany most faithfully during these long years, and is more than just to say that it has done much towards the work of building up both the city and county.

So great has been the interest taken in our clippings from Iowa papers in reference to their Northwest trip that we present more this week, some of which will be found to be very spicy reading.

HOME AND ABROAD. The circus comes. F. M. French, jeweler. Harvest is in full blast. What about a city clock? Boneless cod fish at R. & E's. Magnificent harvest weather.

in circumference, and most of the plums on the tree were about the same size. Grand Patriarch D S K Buick was to officiate July 28th at the funeral of Mrs. O. V. last Thursday evening.

SOCIAL AND PERSONAL. Miss Bart Knox, of Portland, is in the city. J. J. Williams, Esq., of Seaside, is in the city this week.

A MAN ABOUT TOWN. Immediately after the Portland papers, and with their raised dates, announced that there was an enormous war cloud hovering over Europe, everybody along First street looked scared and then jangled firmly.

Several weeks ago the DEMOCRAT gave an account of a very nice shooting traps in Canada, withholding at the time the name of the parties. Last Tuesday the matter culminated in the arrest of Aleck and Dave Martin on complaint of John W. Inman, charged with attempting the life of the latter. The Martin brothers were brought to this city and examined before George Humphrey, Esq., in the afternoon of Tuesday.

John Bush was granted privilege of laylag 28 or more feet of sewer in alley in block 37, according to plans and specifications. The following bills were ordered paid: N. A. Henton, fees, \$14.75; G. W. Burkhardt, Marshal fees, \$5.67; W. M. Ketchum, salary as Mayor, \$11.00; J. N. Blackburn, salary as Alderman, \$11.00; John Foshey, salary as Alderman, \$11.00; John Briggs, salary as Alderman, \$11.00; W. S. Peters, salary as Alderman, \$11.00; John Jones, salary as Nightwatch and Engineer, \$70.00; S. M. Montell, extra police, \$4.00; Barney Whinn, extra police, \$4.00; Train & Whitney, printing, \$1.50.

One o'clock the train ran into Albany, and early Saturday the Mayor of the city and a large number of citizens collected at the depot to meet the train. The warm welcome to all. After the speeches had been made the line of march was taken towards the city. The band of music in waiting for the occasion. When the Willamette river was reached the large crowd halted for a few minutes were agreeably surprised to find the members of the press accompanying by several hundred people.

June 20th we breakfast at Albany depot and went to the city. Here we were met by two excellent cornet bands, one from Albany, the other from Corvallis, to the central depot. The train was met by a number of our boys indulged in a comic variation where our Farmer Coffin mounts a dray wagon, and waving his hat, we drag on boys, indulge in a ragon. Here we were met by a brother of L. R. Train, of Fort Dodge, who edits the "Herald-Dissiminator" at Albany, and with whom we had a long interview.

While at school about seven weeks ago a small pond, about half an inch long in diameter, it remained there with little discomfort until last Saturday, when it was found in this city. The little fellow, strange enough, received no injury from the accident. No Police Gazette is sold in Albany, but Portland and several of the valley towns are taking a large interest in the matter. Every citizen in Oregon is taking a large interest in the matter.

Last Sunday afternoon about two o'clock Samuel Rice and another boy named Temple were riding home on the road between Lebanon and Waterloo, having just been at Sodaville, when at the suggestion of one of the boys, they started their horses at full speed to see which would reach a certain point first.

What they are doing for us. The DEMOCRAT has received over one hundred Iowa papers. The principal comments relating to Albany, Linn county, or the Willamette Valley, have been, or will be, published in our columns.

Our Own Fashion Notes. The tendency is towards returning to the styles of dress of fifty years ago. If this could be accompanied by the good sense and economic habits of that period it would be a commendable thing.

Some evil genius must have presided over the meeting of the Association, for he never could have collected together such an inharmonious group of men. The 200 participants in this excursion, would have betrayed such woeful unfitness for the position.
