He was so disappointed at the way Hayes treated him after the campaign that the name of that absurd person could not afterwards be mentioned in his presence without throwing him into a feeling of intense indignation. It was Storrs who drew the picture of Hayes' insignificance at the Garfield funeral at Cleveland. Said he: "There stood R. with a straw hat upon the back of his head, holding in his right hand a yellow worsted bag with the letters R. B. H. in purple by Lucy on one side. AYER'S Sarsaparilla is a medicine that, during nearly 40 years, in all parts of the world, has proved its efficacy as the best blood alterative known to medical science.

SARSAPARILLA (extracted from genuine Honduras Sarsaparilla) is its base, and its powers are enhanced by the extracts of Yellow Dock and Stil-lingia, the Iodides of Potassium and Ingia, the Iodides of Potassium and Iron, and other potent ingredients.

TEMPERANCE DEPARTMENT

EDITED BY THE Women's Christian Temperance Union

The New York Prohibition convention, Sept. 9-10, was a large, enthusiastic gathering. It was also a very practical body, as it proved by raising \$4,000 for a campaign fund. Its platform declares license, high or low, equally impotent to lessen liquor selling or iquor drinking; that experience has shown that state prohibition is better than local option, and national probibition would be better than either that the state has a constitutional right to prohibit the manufacture and sale of alcoholics, and that temperance men among political parties can trust only Prohibitionists to represent them truly. The Scientific Temperance Educational law is highly commended, stringent Sunday laws approved; the work done by the Woman's Christian Temperance Union is gratefully acknowledged, and the opinion expressed that women B. Hayes, clad in a long linen duster, should be given the ballot, although they do not make woman suffrage a test of party fealty. H. Clay Bascom, ap iron manufacturer of Troy, was nominated by acclamation for Governor, W. Jennings Demorest was nominated for Lieutenant Governor, and a full State the grass." The traffic cannot rise above the character of the commodity.

I know men who are hereditary serfs, and they must bring the gos threads of their will to Christ, who alone can make them strong. For this appetite is generations deep in some men; they say: "I know when I have had enough," poor fellows, when the truth is that the day they were born they had already "had too much." State, Secretary of War, and the At-Man is dependent upon his surro air and impure water are most prolific sources of disease. Food is also a neces-sity of life, but numerous diseases are traceable to both a lack of necessary food, and an over indulgence in special kinds of nourishment. Besides these external sources of disease there are other more subtle and internal causes. Each individ ual inherits from his parents a certain physical constitution. Each person there fore derives his chances of health or dis sip relative to the resignation of the Secretary of the Treasury. The Quid Nuncs had it that Mr. Manning would soon go out of the Cabinet and that Mr. Vilas would take his place, and that Mr. Stevenson would be made that Mr. Stevenson would be made Post Master General. This story was probably based upon the frequent Store, Albany, Oregon.

Sign relative to the resignation of the case from a double source, namely his inserted constitution and his surroundings in life, Sanitary science devotes attention to our surroundings. Medical science seeks to overcome the constitutional or inherited weakness by medicines that supply what is wanting in the system. CURES ALL HUMORS from a common Blotch, or Eruption, to the worst Scrofula. Salt-rheum, "Fever-sores," Scaly or Rough Skin, in short, all diseases caused by bad blood are conquered by this powerful, purifying, and invigorating medicine. Great Eating Uleers rapidly heal under its benign influence. Especially has it manifested its potency in curing Tetter, Rose Bash, Bolls, Carbuncles, Sore Eyes, Scrofulous Sores and Swellings, Hip-Joint Disease, White Swellings, Goltre, or Thick Neck, and Enlarged Glands. Send ten cents in stamps for a large treatise, with colored plates, on Skin Diseases, or the same amount for a treatise on Scrofulous Affections.

"THE BLOOD IS THE LIFE." Thoroughly cleanse it by using Dr. Pierce's Golden Medical Discovery, and good digestion, a fair skin, buoyant spirits, vital strength, and soundness of constitution, will be established.

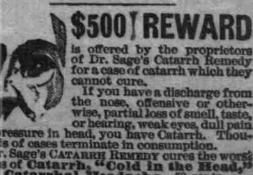

CONSUMPTION

hich is Scrofulous Disease of the Lungs, is promptly and certainly arrested and cured by this God-given remedy, if taken before the last stages of the disease are reached. From its wonderful power over this terribly fatal disease, when first offering this now celfatal disease, when first offering this now celebrated remedy to the public, Dr. PIERCE thought seriously of calling it his "Consumption Cure," but abandoned that name as too limited for a medicine which, from its wonderful combination of tonic, or strengthening, alterative, or blood-cleansing, anti-bilious, pectoral, and nutritive properties, is unequaled, not only as a remedy for consumption of the lungs, but for all
