

duly called to meet, it becomes the duty of every Democrat in the county to go to work among his neighbor Demmony in the party, and a full and united vote. It is the worst kind of fully to become dissatisfied about the action of conventions, as sometimes happens, because those whom we think should be nominated have been defeat-

ed. What difference to the great body of the party does it make whether the Sheriff shall be from Halsey or Water-Home. Woald it not be better for the people of Brewnsville, for instance, to have a good, honest, efficient Assessor selected from among the Democrats of Shedd precipct, than to have an incompetent one selected from among themselves ? This is a good, wholesome sound rule to go by, bot only as applicable to fice which the people will be called upon to fill ; and applicable not only to Brownsville precinct, but to every precinct in the county. We have good advices from all parts of the county on this subject. Democrats all around seem determined to banish from the pars few cases have led to defeat. Let us be faithful to the entire body of the people by nominating faithful, honest, competent men, and they will be elected by a largely increased majority.

are to represent the wishes of the precinct in the County Convention. See that men who will make the interests of the party paramount to the interests of any candidate, are elected as delegates. Remember that it is far more important that the party should elect its entire ticket, than that some particular man should be elected Sheriff, Clerk, or Treasurer. From most all parts of the county we hear Democrats expressing themselves as being more determined about harmony and conce quent success than they are about the success of individual candidates.
