OFFICIAL COUNTY and PAPER, CITY

A MAN ABOUT TOWN.

It is really refreshing to have an election over, the agony disposed of, as it were.

There is rarely ever a spring in Oregon when there is not heard that spring what will be "busted" if it does not rain.

The school children of the city are now vacationing.

The M. A. T. begins to think the most seasonal and novel literature of the day is the associated press dispatches.

The Man About Town witnessed a peculiar horse sale the other day.

Observations taken by the M. A. T. Monday revealed the following to be the principal occupations of voters on that day:

A Fine Entertainment.

The closing social and entertainment given by the young ladies of the Y. W. C. T. U., at the residence of Mr. L. E. Blain.

At the residence of Mr. L. E. Blain, on last Tuesday evening, was attended by a large concourse of young people.

POLITICAL NOTES.

In West Albany the vote for Justice of the Peace was, R. L. Dorris, 50; J. F. Backlund, 127. Constable, E. Jenks, 117; D. B. Monteth, 147.

Scratching is no name for the manner in which tickets were mixed up.

In East Albany out of about 400 votes, there were only 67 straight Democratic ones and 67 straight Republican votes.

D. V. Reid's vote in Albany was a high compliment to the respect in which he is held as an educator as well as Superintendent in this city.

"Vanny" Smith polled a very popular vote in the west side precincts. The big vote in Scioto, Franklin Butte and Fox Valley for Mr. Trask was no disparagement to Mr. Smith, but was given as a compliment to Mr. Trask, who is held in esteem in his own precincts, where he lived.

Mr. George Humphrey re-elected Justice of the Peace on Wednesday, and C. G. Burkhardt Constable by a vote of 100 to 20.

Notwithstanding the tremendous fight made against Justice Sirhan his vote in Linn county was a very popular one, and testified to the little effect slanderous reports have in a political contest.

Now that the election is over there are plenty of men who knew just how it would go in Linn county. Of course, as a matter of fact some did.

John Shea and Z. H. Moss brought the news from Sweet Home.

The prohibition vote in Linn county was about 75. As reports were brought in from only part of the precincts we shall not give the vote until officially counted.

The vote in the two Albany precincts was about 125 more than two years ago, and the vote in the same proportion to other parts of the State will not amount to much.
