people turised annee when they a w me, in diagnat, and I was ashamed to be on the street or in sedicty. Physicians and their treatment, and all medicines failed to do any good. In a moment of despair I tried the Cuticura Remedies—Cuticura, the great Skin Cure, and Cuticura Scap, an exquisite Skin Beautifier, externally, and Cuticura R solvent, the new Blood Purifier, internally; the small lumps (as I call them) gradually disappeared, and the large once broke, in about two seeks, discharging large quantities of matter, leaving two slight scars in my neck to day to tell the story of my suffering, My weight then was one hundred and fifteen sickly pounds; my weight now is one hundred and sixtyone solid, healthy pounds, and my height is only five feet five inches. In my travels I praised the Cuticura Remedies I owe my health, my happiness, and my life. A prominent New York druggist asked me the other day, "De you still use the Cuticura Remedies; you look to be in perfect health?" My reply was, "I do, and shall slways. I have never known what sickness is since I commenced using the Cuticura Remedies is since I commenced using the Cuticura Remedies is since I commenced using the Cuticura Remedies. and I was ashamed to be on the street or in so chown what sickness is since I commenced using to culcura itemenies." Sometimes I am laughed by praising them to people not acquainted with the rits, but sooner or later they will come to as dozens have whom I have told. May the time come when there shall be a large Cuticura Suppl House in every city in the world, for the benefit of ONLY, so that there will be rarely a need of ever en
