Is not always enjoyed by those who seem to possess it. The taint of corrupted blood may be secretly undermining the constitution. In time, the poison will ceramy show hardiects, and with all the more virulence the longer it has been allowed permente the system. Each pimple, sty basifude, or languor, is one of Nature's warnings of the consequences of neglect.

Ayer's Sarsaparilla

Is the only remedy that can be relied upon, by r'l cases, to cradicate the taint of heredthe releases to eradicate the taint of hereditary disease and the special corruptions of the blood. It is the only alterative that is sufficiently powerful to thoroughly cleanse the system of Scrofulous and Mercurial impurities and the pollution of Contagious Diseases. It also neutralizes the poisons left by Diphtheria and Scarlet Fever, and enables rapid recuperation from the enfectioment and debility caused by these diseases.

Myriads of Cures

Achieved by AYER's SARSAPARILLA, in the past forty years, are attested, and there is no blood disease, at all possible of cure, that will not yield to it. Whatever the alments of this class, and wherever found, from the seurcy of the Arctic circle to the "vekit-sores" of South Africa, this remedy has afforded health to the sufferers by whom it was employed. Druggists everywhere can cite numerous cases, within their personal knowledge, of remarkable cures wrought by it, where all other treatment had been unavailing. People will do well to City, acting on the suggestion of a

Trust Nothing Else

than Aver's Sarsaparilla. Numero de mixtures are offered to the public "blood purifiers," which only allure the patient with the pretense of many cheap doses, and with which it is folly to experiment while disease is steadily becoming more deep-seated and difficult of cure. Some of these mixtures do much histing harm. Bear in mind that the only medicine that can radically purify the vitlated blood is late years a pizzicato on the violin
