The very persons from whom she most desires to hide the waning of her charms are the ones most likely to make the discovery. But there is no reason why she should not regain and retain all the beauty of hair that was her pride in youth. Let her use Ayer's Hair Vigor, and, not only will her hair cease to fall out, but a new growth will appear where the scalp has been denuded; and locks that are turning gray, or have actually grown white, will return to their pristine freshness and brilliance of color.
