When paid strictly in adprice of the DEMOCRAT; at the end of the year, \$2.50, and there will be no deviation from this rule.

A MAN ABOUT TOWN.

The M. A. T. hears but one expression in Albany in reference to W. W. Sau the murderer, and that is that justice will only be done by his straightening hemp on Dec. 23rd. Nothing but technicality or the action of the Governor can prevent it. Aldrich was a friend of Mr Spelleng

Sheriff Smith and deputies kept admirable order in the Court room during the session of Circuit Court last week.

The M. A. T. hears considerable complaint at the prices charged by hotel keepers eral services, amid the tears of many reladuring the Mechanic's fair at Portland. It tives and friends. should be changed to Salem, the center of fair dealing and reasonable hotel rates, the city of two bit houses with four bit charges.

The other evening, so it is reported to the M. A. T., a spirited game of poker was played in the back room of an Albany saoon, in which Whitemen and Chinamen kind of an ante, and held their own even the table. By the way, the amount of in a respectable condition. resent time is large. Men will even play A contemporary is going for the manner

the farmer would be excused if he got rid sidered in connection with Albany as a Rev H P Webb. of a few pheasants in protecting his property, did not intend to imply that he would have a legal right to do so. The Salem Statesman is right in saying that he would not. Under the statute he would be just as liable to arrest and conviction if he killed to arrest and conviction if he killed scaring the wits out of women, etc. The them for game. In protecting his property only proper way, and it is observed in most the famer should do it judiciously, that is he Eastern States in cities over even 500 popu-Grange picnic; but when company is scarce.
We do not advice him to shoot at all, mind you, for it is wrong to advise any one to violate a law; but self protection is the first law, and the natural impulse, and if a farmer happens to hit a pheasant in shooting at e tree, why then - One farmer asserts that a single pheasant is more de structive to a wheat field than a rustling og, for it not only uses it jaws but its terrible wings. Of course the proper way to remedy it is to repeal the law if that is what ured some of the birds are going to suffer law or no law. If it is done for game we again say the depredator should pay the penalty; If for self-protection, there are going to lots of eyes shut when the gun cracks.

The M. A. T. is told of a very amusing fistic encounter the first of the week, in this city, in which one youth caught a black cod in his eye and the other was salted

telling how big the moon looks. The M. there is in it. size in square miles of Ireland and Bulgaria, in which the range was thousands of square miles. Ireland contains 32,000 square miles and Bulgaria 24,000 square miles. Together they are only a little over half the size of office just received by Mr John Briggs,

Several Linn county farmers have forvotten to take in their binders, threshers, tc. If they will take good advice they will do so at once. It decreases the life of nachinery many years to have it rusted by a winter's rain, and it is astonishingly strange there are any so extravagant as to submit

The man with two bit bottles of grease erasers that cost six cents apiece has been around; also the man with a heavy receipt for making soft soap; also the man with a osting about two bits, and selling for \$3.50 or less; also others, and more are expected By all means patronize all of them and always pay them their first price (?) It tickles Seriously, keep your eyes open.

O, P. Matters.

Grading on the extension of the Oregon Pacific to the Santiam river is being pushed, and will probably be completed inside of two weeks, when track laying will begin. busy ballasting the road with gravel from the end of the switch, opposite the city. It city on the road. The south end bent of bridge at this city is up and about completed. It is expected the bridge will be ready for trains sometime between Dec. 1st and New Year. When work will be begun on the machine and car shops is unknown to the Democrat, though there are various rumors in reference to it. rumors in reference to it.

Minus \$60 and a Hat.

Arnold were arrested, charged with robbing one Jim Grady of \$60 and a hat in the Bank Exchange Saloon. As there was no evidence against them they were discharged, by Justice Dorris, before whom they ed, by Justice Dorris, before whom they figures Col Hogg's purchase of the Hacklewere examined. The testimony went to man property is put at \$5. show that Grady had the money when he came to Albany, but he got so much of what used to be called "corn juice" inside of him that the matter became pretty mix-ed, about all he knew being that he had neither the \$60 or his hat.

A Maguifficent Stock of Albums,

play is really superb Of a large variety, make long strips about twenty by seventy in the very latest designs, with no middle men to raise prices, these albums, consid-uring quality, are offered at remarkably low rates. It will pay the public to see them if only to see. It will mean bny

Bishop Gross preaches in the Catholic that the cheapent place to buy strictly first-Church in this city next Sabbath morning and evening, II a. m., and 7:30 p. m., and on Monday and Tuesday following at 8 a.m., and 7:30 p. m. of each day. A large number will avail themselves of the privilegs of hearing the Bishop.

Two Hen Killed on the O. P. Last Saturday evening when near Chit-

freight train on the Oregon Pacific was C P brown from the track by some spread rails. The construction train was telegraph scene of the accident, going backward and J H Edwards to Noah Shanks, to corsking along two or three flat cars. On ac-count of a fog but a short distance could be Noah Shanks to Chas W Little, to cortaking along two or three flat cars. On acseen ahead. The train had gone only a L L Hitt to Geo W Harris, undivided mile or two when it ran into a land slide of track during the previous evening, Cal. Aldrich and William Spellenger, both of Syracuse precinct, in this county, were among the hands on the train, and were Silas Luttrell to Jacob Kees, lot 4, biock 15, Ralston's addition to of the head flat car when the collision with the alide occurred. Both were thrown viently from the car on to the rocks beside he track. Aldrich's neck and back, and Spellenger's back, were broken. The form er died instantly, and the latter lived ten or fifteen minutes. Besides these the Engin-eer, Mr Robinson, had a leg broken, and I. Hume the Master Mechanic several ribs broken, and others were bruised some, but

The case of Mr Spellenger is peculiarly a sad one. On the Thursday previous he had led to the alter, at her home near Millers, Miss Effie Miller, and had just gone with her to the Bay to reside for the ent, when the fatal accident occurred. Mr. and his family were present at the weddi he having a wife and several children.
During his absence at the Bay they were
living at Mr. Spellenger's mother-in-law's.
Monday the bodies of the unfortunate men were taken through Albany to beyond Millers, where they were buried with fun-
