the evening before sermon. Sabbath School
dt 2:30 r. m. Prayer meeting every Thursday evening. Rev. H. P. Webb, pastor.

This Institution is beautifully situated in
the pleasant and accessible City of Albany.
The location is remarkably healthy, the
building new and well furnished with all
that contributes to the comfort and instruction of the pupils. The play grounds are
extensive and well adapted to healthful exercise.

The constant aim of the teachers is, whilst imparting instruction in all the useful and refined branches, to train the youthful heart to virtue and to instil a commendable emulation, thus educating for society, members who will, we trust, prove an honor to our

Pupils of all persuasions equally received, provided they comply with the regulations

THE PHELPS CO. Newport, Oregon.

AKE== SIMMONS LIVER REGULATOR For all Diseases of the

Liver, Kidneys, Stomach and Spleen This purely vegetable preparation, now so culcurated as a Family Medicine, originated in the South in 1828. It acts gently on the Bowels and Kidneys and corrects the action of the Liver, and in, therefore, the beat preparatory medicine, whatever the sickness may prove to be. In all common diseases it will, unassisted by any other medicine, effect a speedy cure. The Regulator is safe to administer in any condition of the system, and under no circumstances can it do harm. It will lavigorate like a glass of wine, but is no intoxicating beverage to lead to intemperance; will promote digestion, dissipate headsche, and generally tone up the system. The dose is small, not unpleasant, and its virtues undoubted.

No loss of time, no interruption or stoppage of business while taking the Regulator. Children complaining of Colic, Headache, or Siek Stomach, a teaspoonful or more will give relief. If taken occasionally by pa-tients exposed to MALARIA, will expel the polaon and protect them from attack. A PHYSICIAN'S OPINION.

I have been practicing medicine for twenty years, and have never been able to put up a vegetable compound that would, like Simmons Liver Regulator, promptly and effectively move the Liver to aution, and at the same time aid (instead of weakening) the digestive and assimilative powers of the system.
