cents. The S. F. price last evening was 90 the R. R. man, saw the money in a barber beat us telling the truth : "The Pendleton cow now climbs trees to cat the fuliage out cents, with a lower tendency.

BRIDGES .--- The following from the Leader, at It, so it was a fact. Mr. Smith was found of Corvallis, also reminds us that there is a back of Backensto's saloon sometime after about 12 o'clock a specimen of the terror rich section of country across the Willamstte going into it, and his pockets were empty, known as the Pendleton cow came along that is tributary to Albany. There ought to He and one of his companions, H. Mitchel, be bridges both at Albany and Corvalis: were arrested and allowed their freedom on and saw the green leaves and tender branches "The increased emonat of wheat from across the river is a reminder that a very rich sec- Smith told a pretty straight story. He said tion of country, naturally tributary to Corhas been practically cut off from us. Our commercial importance would be nearly doubled by a free bridge across the Willamsgainst it, pushed it over until the top was ofte at this place, because we should have within easy reach, and then proceeded to eat nearly double the country to draw from. Of course, the building of the college and court house and the expected building of a fine

school house, make the mention of another expensive undertaking hazardous. But the investment in a bridge would quickly pay returns.

A PRETTY SIGHT. -- A few days ago an excursion party of three teams from Newport to Seal Rock, had an interesting experience with a deer. They were driving along when a fine fellow, with large antlers The younger one's leg was crushed to a jelly, and a large slice of flesh was taken out of the calf of the older boy. The plece hemmed in, and they could easily have shot him with a revolver; but there was not even a blow gun in the crowd. He finally made a dash for liberty and succeeded in rub.

getting past the teams and up the bank at a depressed place. One of the drivers is Hughes, the temperance evangelists, who srid to have nearly gone crazy in anticipawere in Albany last year, was not only a tion of what he would have done if he had such a lease that he cannot be imposed on ried out are false from beginning to end. had his gun with him.

rates should the ditch change hands. He FROM WHATCOM .- Mr. Wiswell arrived in is willing to pay a reasonable water rent Albany to-day from the Sound country, but wants his rights secured in that re-He left here in April, went to Whatcom, spect. Then, as we understand it now where he invested in real estate. The boom struck the place, and now his property is worth seven times what it cost. He hinks the place has a big f sture, as well in fact as on paper. Already two railroads are building from that point. Mr. Witzel expects to make that city his home.

AN OLD PAPER .- Mrs. Hardy has shown deep consideration. We believe the matus a copy of the Ulster County Gazette, pubter is situated so that good engineering lished at Kingston, New York, Jan. 4, 1800. will get a mill here. It gives an account of the death and burial of General Washington. It is remarkable mainly in showing the progress made in

kets. Therefore the free listing of raw shop, and a number of others got a squint hides has had this result : It has checked exportation of raw material, increased pro duction of leather and the products of leather, increased the prosperity of the tanner and shoemaker by giving them more work to do,brought wealth to the country condition that they leave the city, which they did, No. 3 was not to be found. by increasing its exports, stimulated manufacturers and giving employment to three he had \$40 when he went into the saloon, times as many workmen as when hides paid he had given \$20 to one of the other men during the day, that he had been drinking a duty.

heavy, and became unconscious, and that Now these are tremendous facts, and the was about the last he knew about the mainewspaper that either through brazen auter. He at first laid the loss of the money dacity or benighted ignorance asserts that to Mitchell, but afterwards said it must have been taken from him in the saloon. Of the free listing of hides was a mistake, had course the DEMOCRAT doesn't know anybetter give them a little serious attention. thing about who the thief was; but there is They are worth whole columns of speculalittle doubt Smith was robbed by some one. We never knew any one yet to make any-thing by hanging around a saloon with tions and assertions as to what might hap. pen if this or that commodity should be

money in one's pocket book. placed on the free list. Here is not what WOOLEN MILL MATTERS .- Mr. Thos. might, could, should or would happen, but

in the future by the demand for exhorbitant

what did happen. Her is the result - the Kay, of Brownsville, was in the city. This reminds us that this woolen mill mat. experiment ac'ually tries, and what havoc ter has been greatly mutillated, until we it does make in the ingeniously contrived hardly know how it does stand. As the theories of the protectionists ! It utterly wrecksth, m. It leaves no two fragments propositions have not been in writing they have been indefinite. The \$15,000 bonus holding together. It shows by the most is plain enough. The water power is the irrefutable of all demonstrations, an appeal What Mr. Kay wants in reference to to the facts, that the theory of the high t is not that the city shall present him with protectionists as to what would happen if a perpetual right, but that he can secare the policy of the Mills bill should be car-

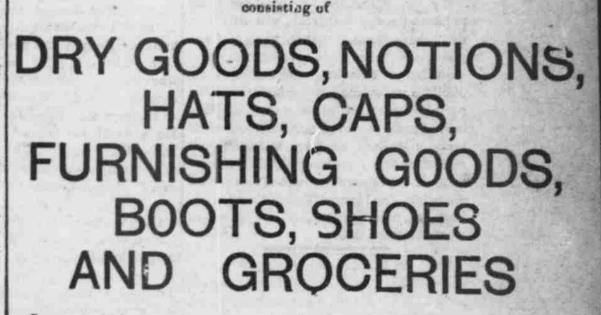

JUTE SACKS.

The Herald quotes an article from the Tidings to show that the duty on jute sacks what Mr Kay wants from our citizens is is a good thing for the farmer and people the site for the mill and a bonus of \$15. 000, and a satisfactory arrangement with at large. The Herald approves what the the owner of the ditch for water. Some Tidings says, for it calls the article a"truthone suggests that the city take the whole ful airing." The article pooh, poohs, and ditch plant, and issue bonds for the pay belittles the protest which farmers set up ment of the same. As the interest on the bonds would be \$10,000 to \$15,000 that against the inexcusable folly and injustice would be a serious matter which deserves of making them pay a tax of one cent on every bushel of grain to be shipped in sacks when the government does not need this

tax, when there is but one jute mill on this A GOOD SEND OFF .- "Our old neightbor coast to protect, and whose employes are and friend, Melvin W Parker departed on story about how the rich Banker and his the newspaper business since that period. the night train Tuesday morning, via San largely Chinamen at that, and at a time when farmers find extreme difficulty in making both ends meet in raising grain to made up of between 1,500 and 1,600 men. bany, and, knowing that he understands the ship to a free trade country to find a mark-In the First Regiment there are eight the staurant business fully, we have no doubt et where they are compelled to compete with the cheapest pauper labor in all the Third eight. Besides this there is one com- ment of bis father, S W Parker While we world. In order to show the contemptuous manner and disdain with which the Tidings and Herald treat this important inthat Mel and his estimable family will make terest of the farmer, we quote what they as many lasting friends in their new home as say :

"The democratic papers have had a violent attack of sympathy for the American (Cal) Argus. Mr Parker has rented one of farmer, brought about by the discovery that the rooms in Strahan's new building and will a duty is imposed upon jute bags, amount ing to two cents for a two-bushel sack. What a striking text for discourses upon LEBANON .- Last Monday Mr. W. C. the iniquity of the tariff and its robbery of
