TEMPERANCE COLUMN. Edited by Albany W. C. T. U.

WHAT WOMEN ARE DOING Miss Mary Graybiel, a missionary in In lia, has been building a church. She had to serve as architect, master builder, and general boss mechanic. First she bought four yoke of buffaloes to do the teaming : true bill then a few big trees-they are very scarce in that part of the country. She employed a true bill. a hundred natives, or nearly that number, whom she taught to quarry the stone, which had to be hauled several miles; and to make bricks, first tramping the clay, fashioning it into the bricks and then burning bill

them, using the spare portion of the trees for fuel. The trunks of the trees were, by hand, sawed into boards for the floors, roofs, etc. A stope foundation three feet think Partition. Sale confirmed, was laid three feet below ground and as much above, this solid base wall being deemed necessary to keep out the white of a decree of partition and order of sale ants, which are a great pest of the country-Evidently a good job was made of the wall, 15th day of June 1887, and an amendatory and an English engineer inspecting it said "No man could have done better."

The Central Christian Advocate asks Why is it that whenever the liquor deal ginning at a point eleven chains and six ers in any part of the country hold a meeting in the interest of their business, a lmost tion nineteen in Township twelve south of the first subject that comes up for considrange 4, west, Willamette meridian, and eration is prohibition? In one breath they running thence east fifty-eight chains and assure us that the latter is utterly impractisixty-four links; thence north ten chains; cable, and in the next they begin a tirade hence east eight chains and fifty links; against prohibition fanatics,' and dwell uphence south ten chains; thence south on the necessity of circulating literature two degrees and thirty minutes west by the wholesale to counteract their influ ence. The truth of the matter is, and no one who studies the situation closely and hence west sixty-six chains and eighty- impartially can fail to see it, that prohibiseven links; thence north five degrees tion is their great nightmare. More than and thirty minutes, east twenty chains and that, it is with them a terrible reality. They nine links; thence north ten degrees and have been trying to convince themselves thirty minutes, west, eleven chains and all along that they have nothing to fear sevent # links and thence north twenty- from it, but it is beginning to pinch them,

The proposed tariff reform makes men's tobacco free, but taxes women's and child ren's dress goods not exceeding in value fifteen cents a yard, six cents per yard, and belonging to the estate of John Smith, de- forty per cent ad valorem. We wonder if this is the "heart-side of tariff reform," in whose sacred name we are urged to rally to Now, therefore, by virtue of said decree the Republican standard? and amendment thereto, I, the under-
