The treatment of many thousands of cases of those chronic weaknesses and distression The treatment of many thousands of cases of those chronic weaknesses and distressing aliments peculiar to females, at the Invalids Hotel and Surgical Institute, Buffalo, N. Y., has afforded a vast experience in nicely adapting and thoroughly testing remedies for the cure of woman's peculiar maiadica.

Br. Pierce's Favorite Prescription is the outgrowth, or result, of this great and valuable experience. Thousands of testimoniais, received from patients and from physicians who have tested it in the more aggravated and obstinate cases which had haffled their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect Specific for woman's peculiar ailments.

As a powerful, invigorating tonic.

As a powerful, invigorating tonic, it imparts strength to the whole system, and to the womb and its appendages in particular. For overworked, "worn-out," run-down," debilitated teachers, milliners, dressmakers, scamsfresses, "shop-girls," house-keepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequaled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nervine, "Favorite Prescription" is unequaled and is invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasma and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Favorite Prescription.

monly attendant upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to woman's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial.

"Favorite Prescription" is a postive cure for the most complicated and obstinate cases of leucorrhea, excessive flowing, painful menstruation, unnatural suppressions, prolapsus, or falling of the womb, weak back, female weakness, anteversion, retroversion, bearing-down sensations, chronic congestion, inflammation, pain and tenderness in ovaries, accompanied with "internal heat."

As a regulator and promoter of functional action, at that critical period of change from giflibood to womanhood. "Favorite Prescription" is a perfectly safe remedial agent, and can produce only good results. It is equally efficacious and valunble in its effects when taken for those disorders and derangements incident to that later and most critical period, known as "The Change of Life."

"Favorite Prescription," when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Pellets Little Liver Pills), cures Liver, Kidney and Eladder diseases. Their combined use also removes blood taints, and abolishes cancerous and scrothous humors from the system.

"Favorite Prescription" is the only medicine for women, sold by druggists, under a positive guarantee, from the manufacturers, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle-wrapper, and faithfully carried out for many years.
