mere!y as a personal or political favor to an applicant for office." A Boston man claiming to be a scientist dences under construction in Eugene and found there were lifty-two of them. At least sixty had already been constructed since winter. Not another town in Oregon outside of Trade. Bon't. We'll lend you our board, as we are not using it.

Mr Hyde, the would be suicide at Leb-anon, is said to be in a critical condition. The reason he triad to commit suicide was that he thought he was of no further use in this world. There are a great many men who are really not who never have such an idea come into their heads. Tolodo has a ghost; but it can only be conversed with by means of raps. Such ghosts are always bugaboos.

Mr A B Paxton has bought out Mr Lit-Mr A B Paxton has bought out Mr Lit-tler's interest in the photograph business, and will begin business egain next Monday. Hon Jeff Meyer, of Soio, is in the city. Jeff's record was such in the late legislature that beis not afraid to face his constancy.

Mr Frank Wood, the marble dealer, he Mr Frank Wood, the marbio dealer, has just received the machinery for drilling and blasting rock and will put it to work in his Benton county quarry. He already has a contract for some rock for San Francisco. This is probably the finest stone in the valley and would make elegant residences. Talk about weather. Here it is, Salurions yet bracing. The elements seem to
ave combined to make this a glorious
pring.
