

THE HORTICULTURAL LAW.

So many inquiries have been made concerning the horticultural law passed by the late legislature that we deem it proper to place before our readers a summary of its provisions.

Section 1 creates a State Board of Horticulture consisting of six members, to be appointed by the governor, one from the state at large and each from the five districts into which the state is divided.

Section 2 provides that the office of the board shall be four years, but three of those first appointed shall retire at the end of two years.

Section 3 provides that the board may employ a secretary and prescribe his duties, and elect one of their own members treasurer.

Section 4 provides that the board may receive and manage donations and bequests of money and property for promoting the objects of its formation.

Section 5 provides that the office of the board shall be located where a majority may determine.

Section 6 provides that the board may suggest regulations for the inspection and disinfection of fruit trees, grafts, scions, orchard debris, empty fruit boxes or packages and other suspected material or transportable articles dangerous to orchards, fruits and fruit trees.

Section 7 provides that the board shall elect from without their number, a competent person who shall be known as "inspector of fruit pests" who shall visit the horticultural districts of the state.

Section 8 provides that it shall be the duty of the board, upon complaint that any person has an orchard, nursery, fruit packing house, store room or any other place in the state which is infested with any noxious insect liable to spread contagion to cause an inspection to be made of such premises.

Section 9 provides that it shall be the duty of the board, upon complaint that any person has an orchard, nursery, fruit packing house, store room or any other place in the state which is infested with any noxious insect liable to spread contagion to cause an inspection to be made of such premises.

Section 10 provides that it shall be the duty of the board, upon complaint that any person has an orchard, nursery, fruit packing house, store room or any other place in the state which is infested with any noxious insect liable to spread contagion to cause an inspection to be made of such premises.

Section 11 provides that it shall be the duty of the board, upon complaint that any person has an orchard, nursery, fruit packing house, store room or any other place in the state which is infested with any noxious insect liable to spread contagion to cause an inspection to be made of such premises.

Section 12 provides that it shall be the duty of the board, upon complaint that any person has an orchard, nursery, fruit packing house, store room or any other place in the state which is infested with any noxious insect liable to spread contagion to cause an inspection to be made of such premises.

Section 13 provides that it shall be the duty of the board, upon complaint that any person has an orchard, nursery, fruit packing house, store room or any other place in the state which is infested with any noxious insect liable to spread contagion to cause an inspection to be made of such premises.

Section 14 provides that it shall be the duty of the board, upon complaint that any person has an orchard, nursery, fruit packing house, store room or any other place in the state which is infested with any noxious insect liable to spread contagion to cause an inspection to be made of such premises.

Section 15 provides that it shall be the duty of the board, upon complaint that any person has an orchard, nursery, fruit packing house, store room or any other place in the state which is infested with any noxious insect liable to spread contagion to cause an inspection to be made of such premises.

Section 16 provides that it shall be the duty of the board, upon complaint that any person has an orchard, nursery, fruit packing house, store room or any other place in the state which is infested with any noxious insect liable to spread contagion to cause an inspection to be made of such premises.

Section 17 provides that it shall be the duty of the board, upon complaint that any person has an orchard, nursery, fruit packing house, store room or any other place in the state which is infested with any noxious insect liable to spread contagion to cause an inspection to be made of such premises.

Section 18 provides that it shall be the duty of the board, upon complaint that any person has an orchard, nursery, fruit packing house, store room or any other place in the state which is infested with any noxious insect liable to spread contagion to cause an inspection to be made of such premises.

Section 19 provides that it shall be the duty of the board, upon complaint that any person has an orchard, nursery, fruit packing house, store room or any other place in the state which is infested with any noxious insect liable to spread contagion to cause an inspection to be made of such premises.

Section 20 provides that it shall be the duty of the board, upon complaint that any person has an orchard, nursery, fruit packing house, store room or any other place in the state which is infested with any noxious insect liable to spread contagion to cause an inspection to be made of such premises.

Section 21 provides that it shall be the duty of the board, upon complaint that any person has an orchard, nursery, fruit packing house, store room or any other place in the state which is infested with any noxious insect liable to spread contagion to cause an inspection to be made of such premises.

Section 22 provides that it shall be the duty of the board, upon complaint that any person has an orchard, nursery, fruit packing house, store room or any other place in the state which is infested with any noxious insect liable to spread contagion to cause an inspection to be made of such premises.
