than one small glass of wine at dinner and county, in which the parties were A Wood Scott, of California, at Shasta Cala. afterwards takes a few drops of good Scotch vs. S Rayburn. It was decided in favor

There are at present 67 American students studying for the priesthood in the American college, Rome. Some of them will be ordained Judge Strahan had been selected to render was so intense that the dome of the Depot hotel.

Prince a success as a public man,

While wages are being generally reduced in me say one word about this case. Before

bet! The Clark thread company is importing yarn from Scotland to use instead of the product of American spinners, who are striking against

Foraker, of Ohio, to solemnly inquire if he has lived and howled in vain.

The master of the state Grange in his annual address, on Tuesday severely criticised Harrison for appointing Ex-governor Rusk of Wiser of agriculture, on the ground that he is a mere politicion and lawyer. It should be borne in mind that Harrison's sympathies are with corporation lawyers and not with farmers.

Nisgara Falls as a water power has always excited some banter, but it is doubtful whethe

are being sunk in different parts of the Terri- grand jury this evening for the murder of Dr. tory this fact is becoming more apparent. A Cronin. This result was reached after an inwell sunk at Galtop has penetrated a body o water 60 feet in depth, and wherever a hole is sunk to the water it is found to exist in inex sidered.

It is a very small, mean business for diers, during the rebellion, "Lincoln's dogs," and yet this was done by one Rev C. E. C.ine, of Port'and, last Sunday evening. Fate is hardly surer than that a minister of the gospel, when soaring in the fields of the politician, will open his mouth cisco, last night, broke into Alex Davis's room wide enough to put his foot into it, and of clothes and a revolver, all valued at \$25. Cline is no exception to the rule.

It may not be remembered generally that the late William H Barnum was the means of extinguishing the political ambition of his namesake, Phineas T Barnum. The great show man aspired to a seat in Congress, and was nominated for it in a strong Republican district from Braidwood, Ills., the scene of the trouble of Connecticut. His election was deemed to with the striking coal miners, says: In response be certain. William H. Barnum entered the field against him, revolutionized the district and orized the Illinois National Guard to protect took the seat for himself. There was curiosity the property and persons endangered by the state to the kind of Congressman the other Barnum it at Braidwood, Adjutant General Vance has ordered a regiment of men to aid the would make which was never gratified.

NOTICE; TO THE PUBLIC.

CLOVERDALM, Benton Co , May 2nd. Having purchased of Mr. Ashby Pearce his entire farm in Bentor county, Oregon, the public is notified and forbidden from taking or removing therefrom any gravel, sand or loam from said premises.

F. L. Such.

South Albany

A most desirable and beautiful location for suburban residences, owing to its nat-ural advantages and nearness to the center of business Compare the size, location, view and access to and from these lots, and

While it sometimes occurs that persons holding official stations yield to improper influences in determining their actions the people are to be congratulated that this does not often occur with judicial officers. A test of judicial integrity in our own state has just come to light that adds another proof that our courts are the sureat palladium of the rights and security of the people, and demonstrates the necessity of the they wear out a nickle's worth of shoe leather does not often occur with judicial officers. in getting a gift of two cents worth of grindstone A test of judicial integrity in our own state be con The war governor of Pennsylvania, Curtin proof that our courts are the surest pallawho recently celebrated his 74th birthday, is as dium of the rights and security of the peowho recently celebrated his 74th birthday, is as straight as an arrow, and his eyes are as bright and demonstrates the necessity of the most vigilant care in the selection of person, of Oregon City. Oregon, at Oregon City. Herbert Brown, of Arizons, at Tucson, sens to hold judicial positions. Some time The Queen of England seldom drinks more ago an equity case was decided in Benton Ariz of Rayburn. J W Rayburn, son of the defendant, appeared as counsel formls father. next month.

An electric fire-engine is a new invention. It can be started at full speed, is much lighter than the steam fire engine and possesses variou other advantages.

Judge Strahan had been selected to render the opinion of the court. Some time after the opinion of the court. Some time after the dames spread rapidly until that immense structure was a burning sheet, and several blocks were soon burned. It is impossible to get a correct list of the losses to night, but it is safe to say they will reach \$250-000 or \$300,000.

CORVALLIS, Or., April 15. My Dear Strahan :- I to-day mailed to An American sea captain thinks he has found a guage of the nearness of an ice-berg by the use of a foghorn, and the consequent echo. If so, it will prove a very valuable discovery.

My Dear Strahan:—I to-day mailed to Judge Thayer an additional brief in Wood went has issued proposals for the construction of three new cruisers for the navy under authority of the act of congress of September 7, 1888. Bids will be opened August 1, 1889.

These vessels are to be of 2000 tons dispersion of the construction of three new cruisers for the navy under authority of the act of congress of September 7, 1888. Bids will be opened August 1, 1889. Gen. Greenback Weaver of Iowa and the potato bug have already appeared in Okl homa.

The vicinsitudes of civihration are keeping right up with the procession in the new terrimpy father his home and casts reflections.

Salem and confined to my room for two days with a severe cold. This brief I prepared of at least eighteen knots an hour for four consecutive hours. They are to be finished within two years from the date of contract and payments will be made in twenty equal installments, as the work progresses. on me, waile an affirmance assures my father in the possession of his property

well informed regarding the topics of the day.
He seldom opens a book, but gleans a great deal from conversation. Mr. Gladstone thinks the throughout this whole business and not a throughout this whole single expression can be cast on him I am wounds are not dangerous "What idiots they have on the newspapers sure. You know my father very well, and nowadays!" exclaimed Blowhorner. "There was a reporter in here yesterday, and I told thous in all he does. Judge, you know me night and daylight this morning a force of fifty

struck against a reduction in wages, have abandoned the fight, their places having been taken by cheap non-unionist. Another illustrationally I am out of favor with one of your assotion of the protection afforded labor by the clates, for what reason I do not know. If he is displeased with me for any reason, right me in his estimation if you can. Let

this country, immigration from Europe increas you revise Judge Bean's decision be very work in city. Call at DEMOCRAT of es. There is a high tariff for the protection of sure you are right for you may never know fice. expital but none to save labor from the "pauger competition" about which we heard so much last year.

According to the doctrine of metempsychosis the souls of those who die continue their existence in other bodies. Is it not possible that Decapitator Clarkson is in reality the spirit of Robespierre in modern guise.

Protection to American labor? Ah! yes, you better the Clark thread company is importing

it, but I know it that the equities are all with the respondent. If you will look into every nook and corner of this case you will ock into every nook and corner of this case you will be received until Satory that the hour of one o'clock P. M., for the construction of a two o'clock P.
