It includes all the new additions, and is nearly and correctly arranged. It is not a going of the second o ecuted. It includes all the new additions, and is neatly and correctly arranged. It may be seen at the Oregon Land Co's of fice. Woot.—Saturday was regular wool day in Albany. The city fairly seemed to swarm with wool men. 21½ cents was THE G. T.'s.—At the meeting of the

The Prof made some of these drawings on Patent the board which well illustrated this method of instruction. He stated that he would not resort to the use of the text-book 50 giving instruction to primary pupils ; but Mr Baldy is a son of Mr Thornton's former would introduce suitable oral instruction, rie then illustrated by a class of his primary pupils his method of instructing then without the use of the text book. A general discussion of the subject followed. GJGibson, R C Michael, L M Curl, and Harvey Bond participating. The subject of Mental Arithm then ably presented by Prof L M Curl and profitably discussed by others.

The Institute then adjourned to meet a the ME Church at 8:30 p. m. At the evening session the following program was acceptably rendered : Song by Misses Guiltford, Gudley and Iester.

Discussion-"School Management" par-ticipated in by Profs L. M. Curl, J. C. Hardin, J. S. Van Winkle, Harvey Bond, G. F. Russell and R C Michael. Resolutions were adopted thanking the trustees and members of the M. E. church for the use of their building and the choi

for the excellent music furnished. The choir then sang a good night song and the Institute adjour
