If you have all, or any considerable number of these symptoms, you are suffering from that most common of American maladies—Billious Dyspopsia, or Torpid Liver, associated with Dyspopsia, or Indigestion. The more complicated your disease has become, the greater the number and diversity of symptoms. No matter what stage it has reached. Br. Fierce's Golden Medical Biscovery will subdue it, if taken according to directions for a reasonable length of time. If not cured, complications multiply and Consumption of the Lunga Skin Disease, Heart Disease, Rheumatism, Ridney Disease, or other grave or later, induce a fatal termination.

Br. Fierce's Golden Medical Discovery acts powerfully upon the Liver, and through that great blood-purifying organ, cleaness the system of all blood-taints and impurities, from whatever cause arising. It is equally effectious in acting upon the Kidneys, and other excretory organs cleansing, strengthening, and healing their diseases. As an appetizing, restorative tonic, it promotes digestion and nutrition, thereby building up both flesh and strength. In malarial districts, this wonderful medicine has gained great celebrity in curing Fever and Ague, Chills and Fever, Dumb Ague, and kindred diseases.
