LOCAL RECORD. The Teacher

A NEW NOVEL .- "Cleopatra" is the name Who advised her pupils to strengthen their minds by the use of Ayer's Sarsaparilla, appreciated the truth that bodily health is essential to mental vigor. For persons of delicate and feeble constitution, whether young or old, this medicine is remarkably beneficial. Bu Cleopatra so familiar to Shakspere readers and weaves pienty of funny fiction into the "Every spring and fall I take a num-ber of bottles of Ayer's Sarsaparilla, and am greatly benefited."—Mrs. James H. Eastman, Stoneham, Mass. and Hemarchia go to the center of one of the pyramids, encountering a bat as big as nummy King, securing several billion "I have taken Ayer's Sarsaparilla with great benefit to my general health."

Miss Thirza L. Crerar, Palmyra, Md. dollars worth of rich stones from the breast of the lamented gentleman who had passed "My daughter, twelve years of age, has suffered for the past year from away centuries before. Some of these Cleopatra sold to rich Jew traders, and the noney enabled her to spread it on before Antony. A couple of them she dissolved a vinegar and drank in order to show Anmy that she didn't care a cent for money That would ruin a woman's chances now ; but Antony fell in love with her, and the story is full of such solid facts, based on

PROMET PARMENT .- The Farmers' and hich was quite heavy, and are to-day do This Company indulaes no quirks or quibwith lame back and headache, and have been much benefited by the use of Ayer's Sarsaparilla. I am now 89 years of age, and am satisfied that my present health and prolonged life are due to the use of Ayer's Sarsaparilla."—Lucy Moffitt, Killingly, Conu. all losses, hence their increasing business. This is one of the most responsible fire inurance companies on the Coust, and does siness in the most satisfactory manner We write the above "without hope of fee or reward." We recommend the above incident occurred on the picnic grounds at Mrs. Ann H. Farnsworth, a lady 79 years old, So. Woodstock, Vt., writes: "After several weeks' suffering from nervous prostration, I procured a bottle of Ayer's Sarsaparilla, and before I had taken half of it my usual health returned."

ready, to have all necessaries in good condition and be able to put the fire out before it gets headway.—Astorian. This sug tinguisher of a good capacity. It does the work when it is needed. In one city that had thirty alarms in a year every fire was extinguished by the extinguisher before the engines got to work.

PAVEMENTS .- An Albany gentleman ha handed in the following on a subject that is Canned Ments, of interest to the city of Albany: "Professor Newberry, of Columbia college, has been atu-lying the subject of pavements for cities, found that the asphalt pavement, made of Then four tickets were cut, and two of both in this country and in Europe. He has the Tricidad asphalt, is the best of all. He them represented Sullivan first and secdeclares it to be the pavement of the future, and says: Its excellencies, cleanliness, sia rket price paid for lence and salubrity are so apparent that no argument is now needed to enforce them, and shaken up, when each member put in his hand and drew out the ticket which represented his chances of winning. The lasts as long as any other good pavement, and last as long as any other good pavement, and last as long as any other good pavement, and last as long as any other good pavement, and last as long as any other good pavement, and last as long as any other good pavement, and last as long as any other good pavement, and last as long as any other good pavement, and last as long as any other good pavement, and last as long as any other good pavement, and last as long as any other good pavement, and last as long as any other good pavement, and last as long as any other good pavement, and last as long as any other good pavement,

PATRONIZE HOME INSTITUTIONS. - The Range Co, of St Louis, are now doing Umahear from some of the many in this county Roger Bros. Silverware, French Ching and Crystranger that comes along.

Raber, a Corvallis mining expert, has been honors extended to him by the Albany in the city. Mr Raber has recently been Herald, which declares he was once the in Montana and reports everything dried middle-weight champion of England and up, and no work being done in the mines. Where there was an output of \$40,000,000 Where there was an output of \$40,000,000 never had a champion belt. He may have last year, there will be practically nothing had a few scraps in his young days, but he this year. An old miner, who had been was never a professional fighter. Salem from Lower California to Montana and Statesman

his eves open for the show."

FROM ALBANY ITS NATURAL COURSE .-This morning surveyor W B Barr, of Al bany began the work of running the pre liminary survey of the recently incorporat of a novel just out, by Rider Hagard. Un- ed Albany & Astoria railroad company like Hagard's other novels it is founded on This company propose connecting with fact. It tells the story of Antony and the Astoria & South Coast line for the Willamette Valley. At Albany they will have connection with both the Southern business, among other things Cleopatra and Oregon Pacific. This reminds the writer that Salem has an incorporation, the object of which is to connect with this Asan eagle, and rob the grave of a famous storia road. They were to raise money for the purpose of making surveys, but it has been several days since anything has been said about the matter. Nothing has, as yet, been done. It is high time the survey was ed, and the strife is over the possession of made, for if Salem really wants this road the child, which both want. Mrs Hussey she must rustle for it and that very soon, else it will be diverted from its natural

MORE REMARKS, - The Benton Leader has the following additional remarks to make about our celebration : "A remarkable thing about the celebration in Albany was the absence of drunkenness. We saw only one fellow who could be said to be derchants' Fire Insurance Company at drunk. He was weaving his legs along Albany, Or., has adjusted and paid the full the street in the evening in the charge of a companion, and he said as he passed us, started by two little boys who were playing field. fire of the Review office without waiting My father gave me lifty unliars this morn the 60 days. This Company has paid every ing, and I haven't got a cent.' The Altollar of their loss in the great Seattle fire, bany papers were a little bit sarcastic be hich was quite heavy, and are to-day do cause the program on the 4th was not ful-ng a greater business than ever before. It carried out. But it was really almost impossible to manage the crowd. Delays were inevitable. The difficulty in this and bles, but pays at once the full amount of all big celebrations is in not having a place where the people can see. Every town ought to have a park prepared and arrang-

Please call and examine one rule and extend.

I defection guaranteed.

A PHYSICIAN'S OPINION.

"I have been practicing medicine for twenty years and have never been able to put up a vegetable compound that would, like Simmons Liver Regulator, promptly and effectively move the Liver to action, and at the same aime aid (instead of weakening) the digestive and assimilative powers of the system."

L. M. Hinton, M.D., Washington, Ark.

Marks of Genulonessa. Look for their

Marks of Genuineness: Look for the red Trade-Mark on front of Wrapper, and the Seal and Signature of J. H. Zellin & Co., in red, on the side. Take no other.

Ping and smeking tobacous, Mierschaum and briar papes and smokes actishes generally. Also always has on band a nice line of

California and Tropical Fruits.

ACADEMY

Our Lady of Perpetual Help. ALBANY, - - - OREGON.

Recent Australian papers announce the finding of a nugget weighing 336 ounces and valued at £1,360. It was found near Wedderburn, Victoria, by a young Austrian named Costa Clovich, who had only recently arrived in the colony.

According to the most reliable estimates, the population of London is now 4,250,000. O this number 900,000, or more than one fifth, are in receipt of some form of pauper relief.

There is a great deal of difference between the colory and denomination released to the Nista of St. Benedict.

This Academy is incorporated and authorized by the State to confex academic honors. The course of study is complete thonors. The course of study is complete.
