ANOTHER FATAL SHOT.

WANT THE ALBANY R. R.

Or., Dec 27th, 1889, to discuss railroad and

her matters of interest to the town. The

neeting called to order by H Balley, Judge

ecretary. The object of the meeting was

loquently stated by Judge Lucy, who

graphically set forth the resources of the

town and immediate vicinity, and the ur-

gent need for the people to take action at

once, to let the outside world know that

we are here, with advantages that are ex-

celled by none and equalled by few places

on the Pacific Coast. Remarks were made

by others. Judge Lucy was unant.nously elected as a representative of Williaming to confer with railroad officials and other

te confer with railread officials and other parties interested in the building of rail-reads from the Willamette Valley to the coast. The chair appointed a committee, econsating of H Balley, Thomas Langdon and C C Linden, to prepare some statistics and report on the evening of Dec 28th, after which the meeting adjourned until said time. At the adjourned meeting the fol-lowing report was submitted :

We find the amount of grain raised in this immediate vicinity and that would be shipped from this point had we facilities to handle it, to be one hundred thousand

bushels per annum; number of beeves fatted, one thousand head; sheep, five thousand head; hogs,one thousand head; hay,one thousand tens; flouting mills ca-paelty, fifty barrels per day; saw mill, fif-
