Saveral Destroquismed Men.—The West Shore, just at hand, contains a good picture of Ex-Postmaster C W Roby, who has just vacated the Portland postoffice, after filling it with marked executive ability for four years and four months. A Democrat man readily recognizes in the phis his stateroom company on the O P. STITES & NUTTING executive ability for four years and four months. A Descorar man readily recognises in the phis his stateroom companion on the 'Geo W Elder,' arriving and equiping of a standard gange from this city to Munkers station, on the O'P.

West Shore says Roby located in Portland in 1882, but there is an error of two years in the figures. Roby had the upper berth, the Descorar man the lower beeth, and a Walla Walla man, who sumugaled a nephew through in first-clase style on a steerage ticket, the middle berth. Even then, in the tail, pleasant-looking man who was to assume a position in the public schools of Portland, the Descorar man recognized one who would take care of himself, though on this particular trip he did not display that onergy that has since characterized his life. In fact, he spent considerable time in ganing at the deep, green waters that rocked frightfully under the plunging tread of the Elder, and, when night came, and there were about four of them for the trip was a long one, he invited the DESCORAR man to trade berths within, as, in his condition, he was not ambitious to roost high. Oft in the stilly hings it the peculiar expectorating sound familiar to the traveler, came from the lower regions of our stateroom. It was a welcome hour when the Columbia was a canded and the trip up that beantifus stream began. Among other passengers who are now as distinguished as Roby and the DESCORAR man for the trip was a long one, he invited the DESCORAR man for the cou

ng the past five years as I am of a billions terr perament and suffer much from atomach and liver troubles. But nothing ever gave me the relief that I obtained from ming Joy's Vegetable Sarsaparills. In fact I think it a cure for those liments. At the time I was using it I had a title girl living in my family whose neck was ously affected by a large open sore, and we led a great many kinds of lotions, salves and blood purifiers to no avail. I gave her some of my medicine (Jor's Vegetable Sarsaparilla) thinking it might benefit her and as it was like the story house. Chamberlain
