The A BIRTHDAY PARTY .- Thursday, at patient is fifty-six years old and imagines that bis friends are trying to poison him. This is his second attack. He comes from

PROBABLY PRENERTATED, -- Mr Wm G Bradley, who committed sulcide in Port-land, made many friends in Albany in his few months residence here, and his death is certainly a matter of regret. They will be glad to know that his body was well taken care of being embalmed while awaiting orders from his family, and everything being done that was possible under the circumstances. It now appears that he had contemplated the rash act for several weeks. What originally lead to it is not known, as his past life is not familiar to any one here. The above, from the Lebanon Express, shows how things are growing in that city. Booming, as it were. Lebanon must be a dangerous place for training who sleep out doors nights,

be had contemplated the rash act veral weeks. What originally lead i not known, as his past life is not at to any one here. PROMINENT DEMOCRAT.—W.
