out, more tramps were aboard than the ton. Two assays have been made of good grace of Conductor Kearney could this ore, one in Portland and one in San stand, so the train made a stop near Stin-Francisco, and there is very little differon's factory and ejected his objectionable ence in the report. If this is true, which freight in such a manner as to arouse we have no reason to doubt, as it came their ire.. The tramps then ran a head of the train and waited for it to pass them when they hurled several rocks at from men not interested in the mines, it will cause quite a rush to the upper Santiam. He says that excitement is at white heat and everybody is preparing to go to the mines. He was also informed that men are at work grading a road to the mines, and that there would be a Engineer McCarty who was in the cab. Mac could not let this insult pass unnoticed, and he immediately applied the air brakes, bringing the train to a standstill. and bounded out after the offenders, in mill put at the mines inside of ten days, company with the conductor and brake-men, who chased the tramps into the or just as soon as men and money could get it there. It has long been known that brush; but aided as they were from an old and silver existed in immense quantitles in these mines and it now seems quite probable that it has been found. As the Albany papers say nothing about this it must be the intention of the comceasional shot from revolvers and a shot gun, the tramps soon distanced their pursurers and made good their escape .--Grants Pass Courier.

the outside world gets an inkling of what swindled out of \$5000 is receiving lots putting his slender arms around her. of consolation in the following letter sent RIGHT BET NOT RIGHT, - A paper of him by the swindler : Mr Jones : I sent you a telegram to-day. If you obey it following two inconsistent items: We you will be all right and no one will know are satisfied two consus of Eastern Oregon has been carefully taken and few mistakes my partner start for the cast to night with have been made. The reason we have your \$5000-a wise man would keep still not made more progress is that for over a fool will tell everybody how he has been twenty years we have been bound hand gulled and get his name in the paper so and foot by Portland. As a matter of everybody can laugh at him & and it will course, the Sound papers are jubliant over tickle your children nearly to death if they the census returns of the population of ineir state. The votes cast by Washington last November were 58,443, and in a little over six months she is credited with 350-You can find sister here in Portland but oco population or nearly seven inhabitarts to the votor; while Oregon cast 73,400 last June, and is given 250,000 residents,or a little over three persons to the elector. There is something wrong in this some where the votor is something wrong in this some. New Connect set was the lefterson in the some of the votor is something wrong in this some.

A NUMBER of towns are claiming the distinction of being the first that raised flags over their schoolhouse, but the raised flags over their schoolhouse, but the raised of incorporation filed in the secretary of state's office, with Lewis Savage, R L Skin-Transcript is of the opidion that Nevada City is entiried to the honor. The teach-ers and pupils of Washington school in this city subscribed money enough a year ago last spring to purchase a flag, and on April 29, 1859, raised it over the building with appropriate exercises. What town in California was ahead of it?-Nevada Transcript. Letter of party leadership comes from Blaine, shouting and blowing whistles and we soon emerged from the forest, then ruling past the residence of Rosa Bonheur, and the First Church of Christ, of Mill City, have also filed articles incorporating a church at that place, the value of the cor-provision party safety. Philadelphia Times. WHY ? Why was the Federal Elections Bill brought forward at this session of Congress, and why is poration being \$8000.

Albany was only one day behind Neva-A COMMON BIRTH PLACE, -One Albany la City, raisin; the flag at the proper A COMMON BIRTH PLACE. - One Albany decorating our wheels and wearing gay man at least got the worth of his money at belts, sashes and streams of tri-color time, instead of a day earlier. Flags were the circus. One of the employees proved bunting, besides the numerous American raised in many places on the 30th, the cen ennial of Wasnington's inauguration.
